

# RE: Being special – where do we belong?

CLASS PLYM

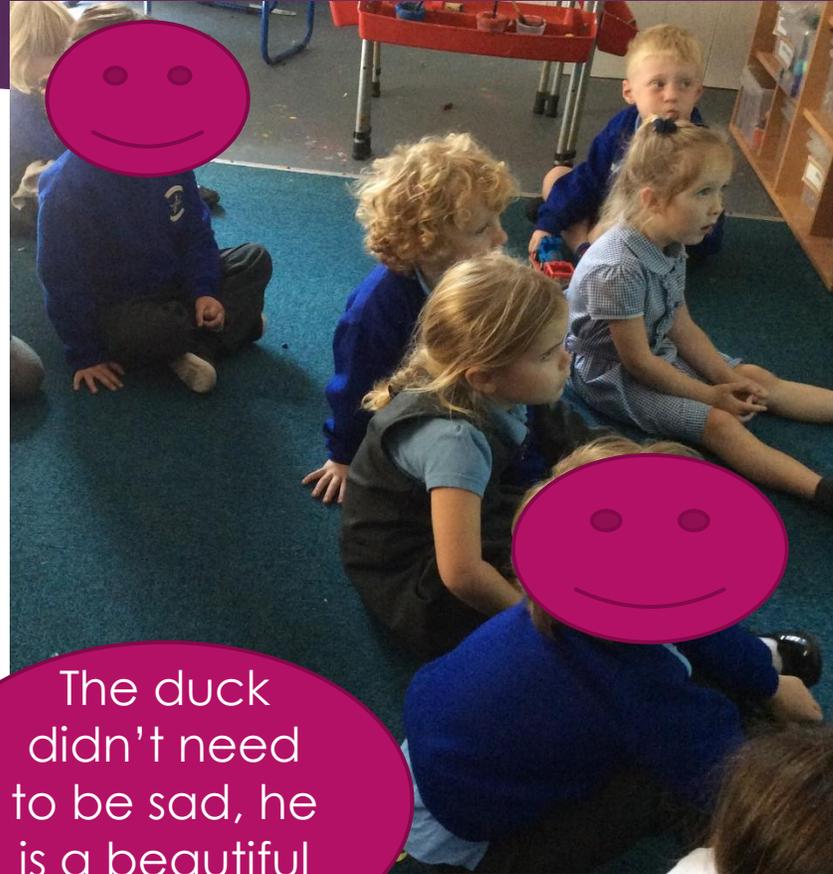

AUTUMN 1 2022

# What makes us feel special?

I am good at running and am really fast.

I think Cole is good at tidying up.

The duck didn't need to be sad, he is a beautiful swan.

We started by talking about things that we are good at and then watched the story of The Ugly Duckling. We talked about how he was different to the others, just like some of us are better at things than others. But the duckling ended up being beautiful. We are not all the same but we all have different talents and that's part of us being special.

# What makes Christians believe they are special?

I can describe what you look like without looking at you

Why does she have a cross on her tshirt?

Grace

God knows what everyone looks like without looking

# Why do many Christians believe that children are special to God?

Jesus said that children all belong in his family too and not just the grown-ups.

I would be sad if someone told me to shoo or go away.

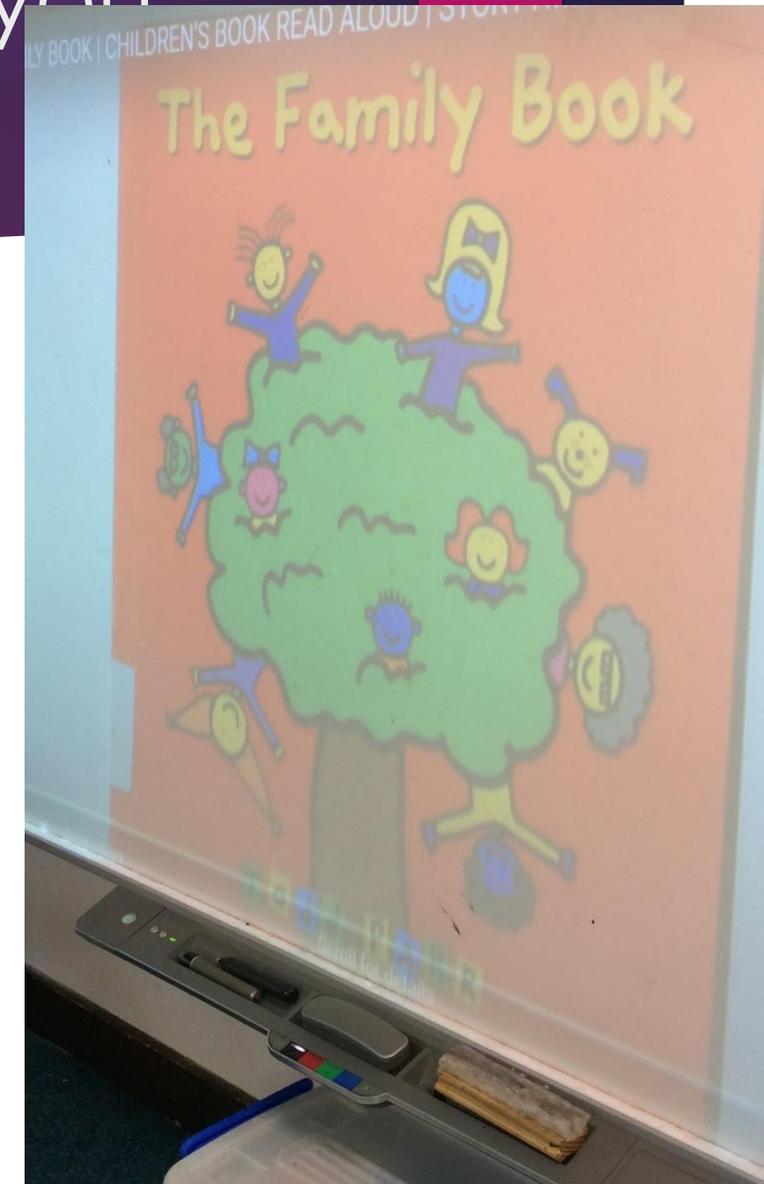

# Where do you belong? How do you know you belong?

Why do some families have two mummies and two daddies?

Belonging to school makes me feel happy and a bit excited.

I belong at my mummy's house and I belong at my daddy's house.

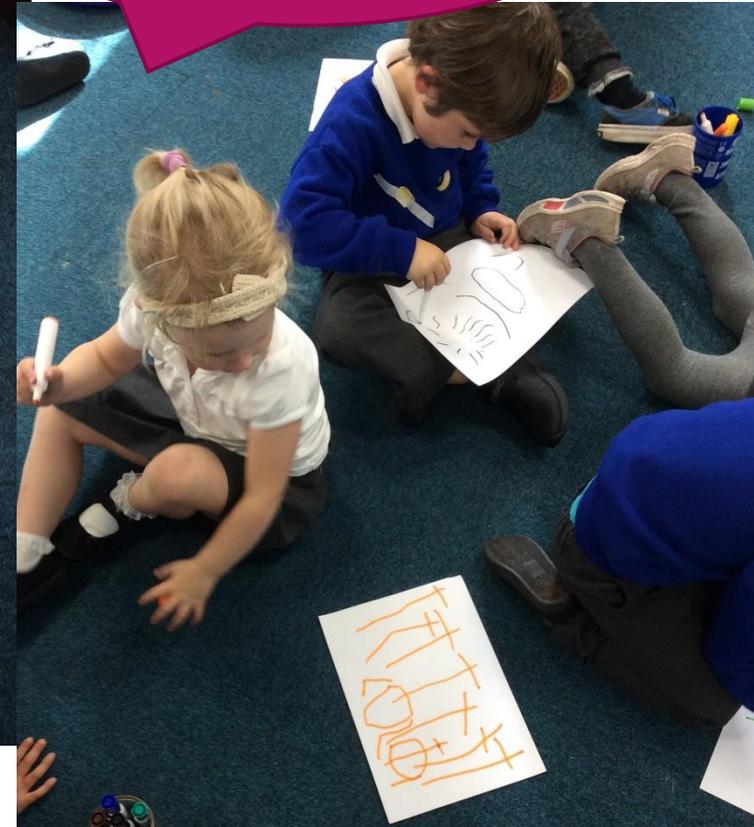

# What other groups do religious people belong to?

I'm going to draw the moon and star for [the] Islam symbol.

Grace believes that God made the world and Imran believes that Allah made the world.

We re-capped how we all belong in our family's but how we also all belong to FLE school and have a logo to show what the group is. Our character Grace wears a cross to show she is a Christian. We looked at a character who belongs to an Islam faith group and a character who belongs to a Hinduism faith group and the symbols attached to these groups.

# How do we show people they are welcome? How do Christians welcome a new baby.

When we have people come, we have a BBQ and put up decorations

Do adults get their clothes wet when they are baptised?

We could welcome someone by singing them songs or reading them a story

# Performing our songs about why/how we are special.

I am special because I am good at tidying up and I am a good runner.

I am special because I am a good friend.

I am special because I belong in my family and they love me.
