CELEBRATING DIFFERENCES

Do we all need to be the same?
Finding out what is the same and
different between us.

It's ok to be
different from
my friends.

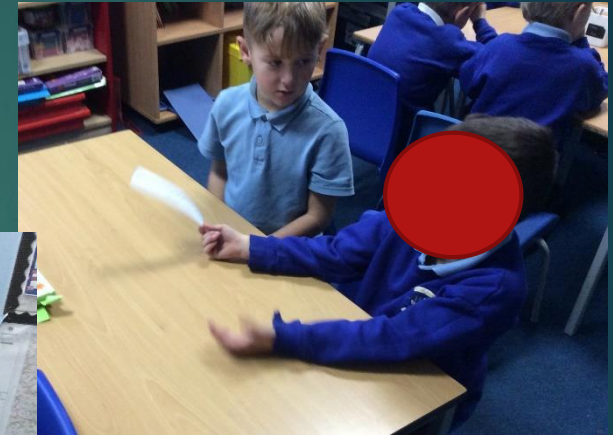

I don't like
football but my
friends do.

If we were all the
same the world
would be boring.

We know what bullying is. We read statements and decided if it was or wasn't bullying and thought about why.

It's not bullying
is they didn't
mean to hurt
him.

It's not bullying
because it only
happened
once.

That is bullying
because they
do it everyday to
the same girl.

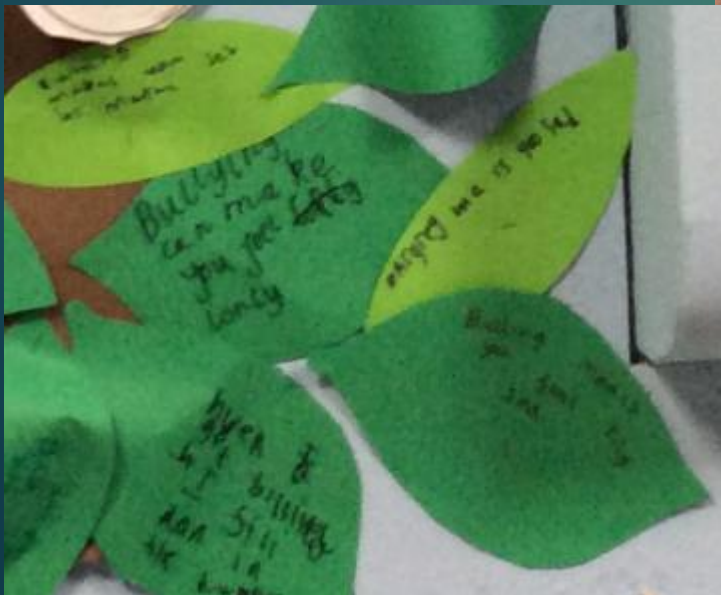

How would you feel if you were bullied and what could you do?

I would feel lonely.

You need to tell a trusted adult so they can help

Bullying would make me feel angry.

Friendship tokens; How to show others we want to be friends.

It's hard to make friends because I don't know what to say.

Using a friendship token will tell me that they want to play with me.

What makes my friends the best!

They think of really cool games.

***** thinks of really fun games to play.

They are kind to me.

Our Friendship tree
