

PSHE – Dreams and Goals

CLASS PLYM

SPRING 1 2024

I understand that if I persevere, I can tackle challenges

Jigsaw Jenie delivered some spaghetti and marshmallows and asked us to build tall towers. The spaghetti kept breaking but we did not give up!

I made it stand up!

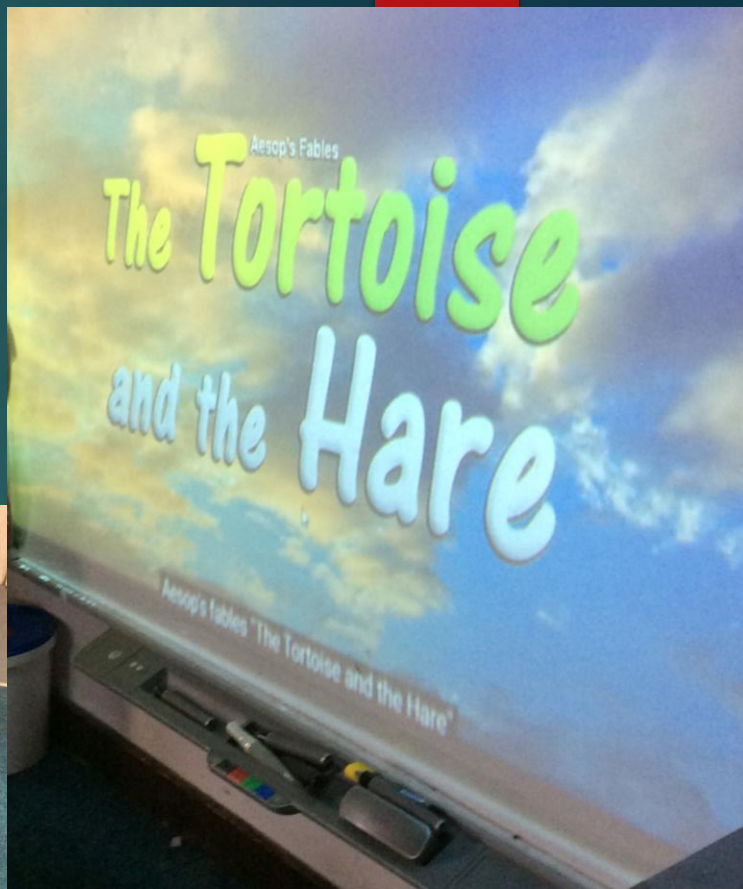

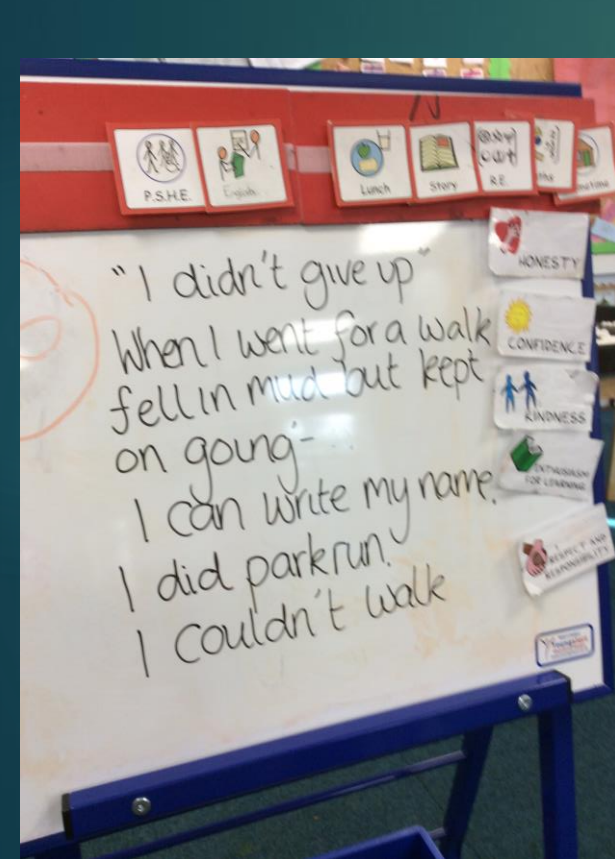

We talked about how we used to not be able to write our names or read words but we kept on trying and didn't give up.

It keeps on breaking!

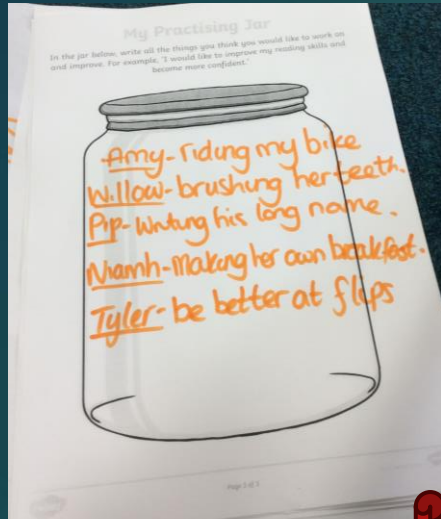

I can tell you about a time I
didn't give up until I achieved
my goal

I can run fast now

The hare kept trying to win and he fell asleep and then the tortoise went past him. The tortoise won,

I can set a goal and work towards it

Jigsaw Jenie was able to build the tower because he kept on trying.

We have set ourselves some goals to achieve.

You should never give up or stop trying?

How do you feel? Can you say something good about your friend? Can you encourage others?

Saying someone is rubbish at something is mean. It's better to show them how to do it.

It's nice to tell people that they are doing a good job and that they shouldn't give up.

Shall I get you a sound mat to help you get it right?

I can say how I feel when I achieve a goal and think about what I would like to do when I am older.

- ▶ One person has progressed towards their target but it's still an active target.
- ▶ Philip achieved his target, he now writes his full name on all pieces of work

These are our goals for the future. We talked about the qualities and things we will need to do to get achieve these goals.
