19th May 2016

Dear Parents

Unfortunately due to the lack of voluntary help offered to transport children to and from Torpoint for the forthcoming swimming lessons, we have re-arranged the drop off and collection point to the Cremyll ferry. However, this change will now incur the total cost of £15 (75p each way per day) for the Cremyll Ferry. Plympton swimming pool, who will be transporting from Plymouth, have also agreed to this change.

Children will need to be dropped at the Cremyll ferry every morning at 9am and collected at 11.50am after their lesson and returned to school for lunch.

We hope this will make things easier for parents to help with transporting their children. Without your support it will not be possible to proceed with the swimming lessons.

Please indicate whether you can help with the transport by returning the attached slip.

Kind regards

Leisha Champion

.....

I confirm I am able to offer transport to the Cremyll Ferry on the following days:

☐ Monday ☐ Tuesday ☐ Wednesday ☐ Thursday ☐ Friday
