

The background of the slide features a French flag (blue, white, and red vertical stripes) waving against a clear blue sky. The flag is positioned on the left side of the frame, with the white stripe being the most prominent in the center.

French Summer 2023

Meet my family.
Class Tamar

We met the French family, frere, soeur, pere and mere.

We learned about families. We learned to say about mum, dad, sister, brother and cousins.

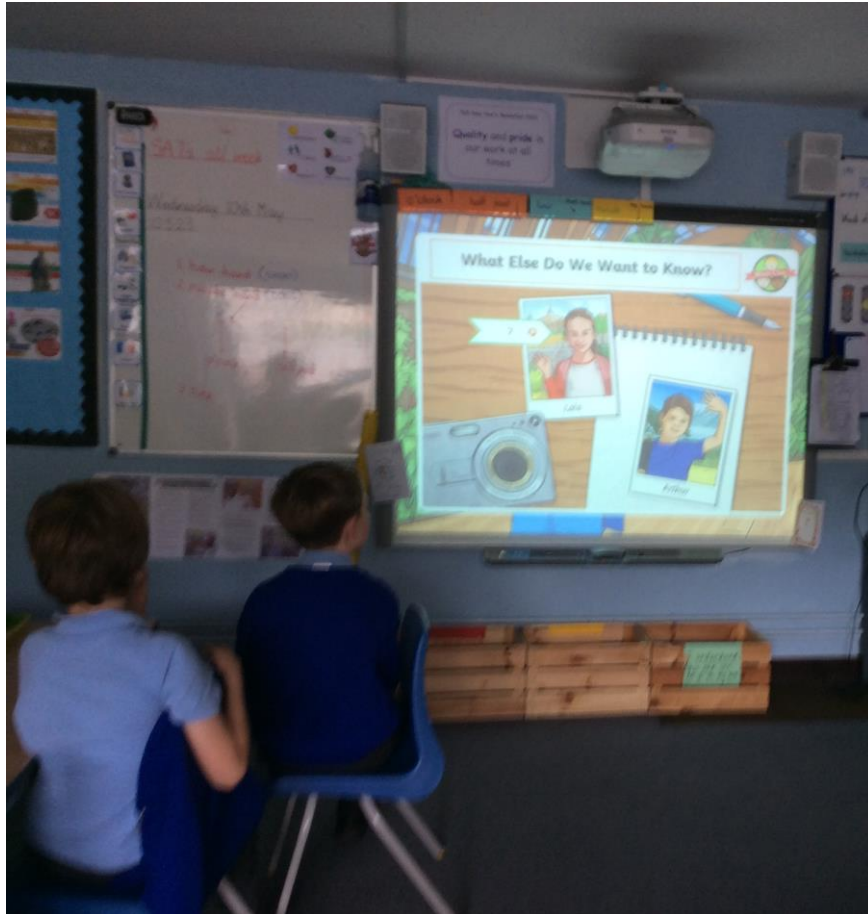

We found out about different pets, chat, chien, lapin and talked to our friends about them.

We learnt how to say cat in French, "le chat" and dog, "le chein".

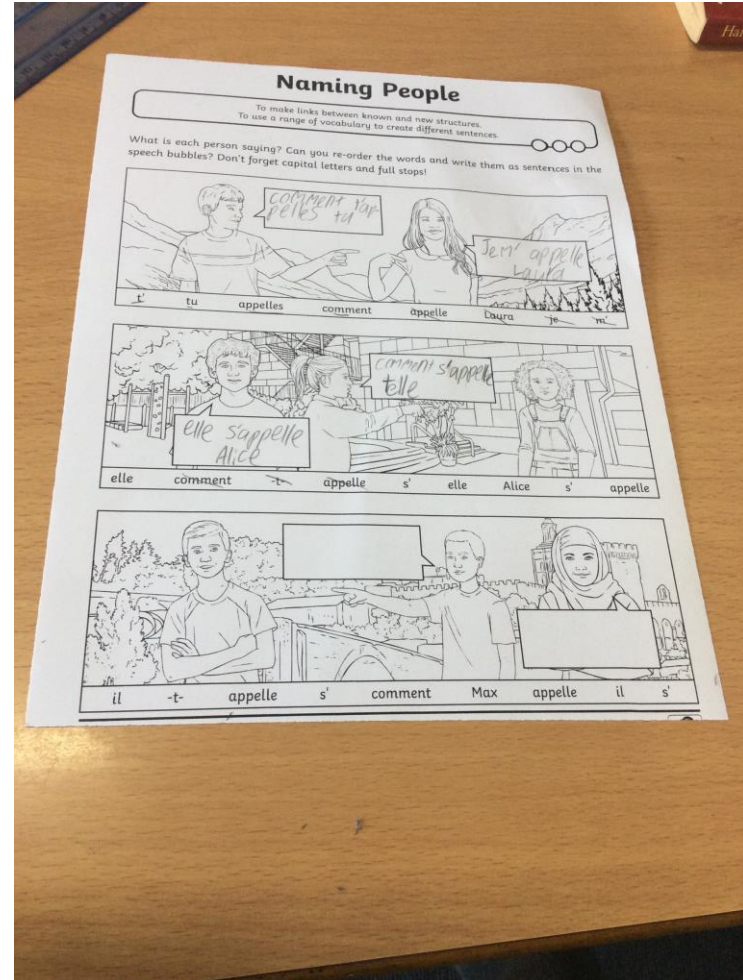

We found out the phonemes that French graphemes make are different to the ones in English.

In French the
"x" sound
sounds like
"eeks!"

We asked, Qui est-ce ? and Il s'appelle...
when thinking about names.

Il s' appelle
Maya means,
"My name is
Maya."

French FLE 3/4 What words and phrases can I use in conversation about family?

Personal development.

Children know aspects of different cultures and languages and that language might have different structure. Adults might use French on holiday, for work or communicate with friends.

Skills

Use simple vocabulary for nouns and verbs.
