

# Autumn Term RE

---

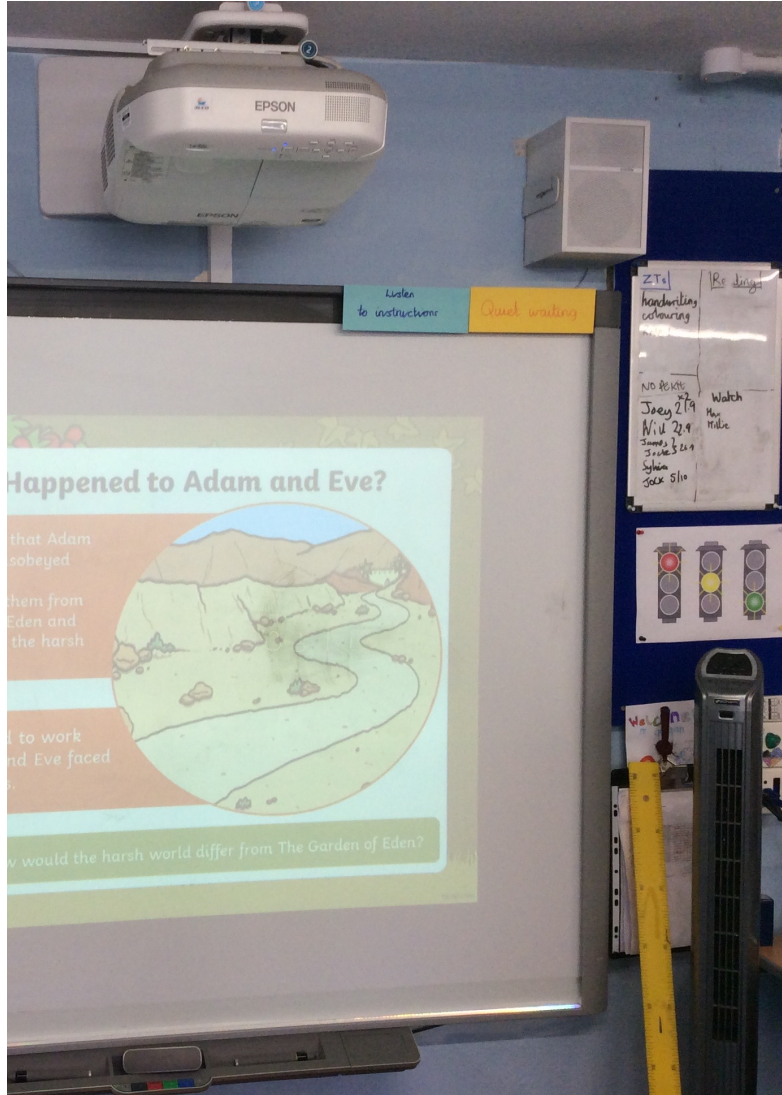

On the fourth day, God created the Sun, the Moon and the stars,  
to separate the light from the darkness.

We learnt about the Christian  
creation story where God  
created everything in 7 days.

We found out about the Christian story of Adam and Eve.

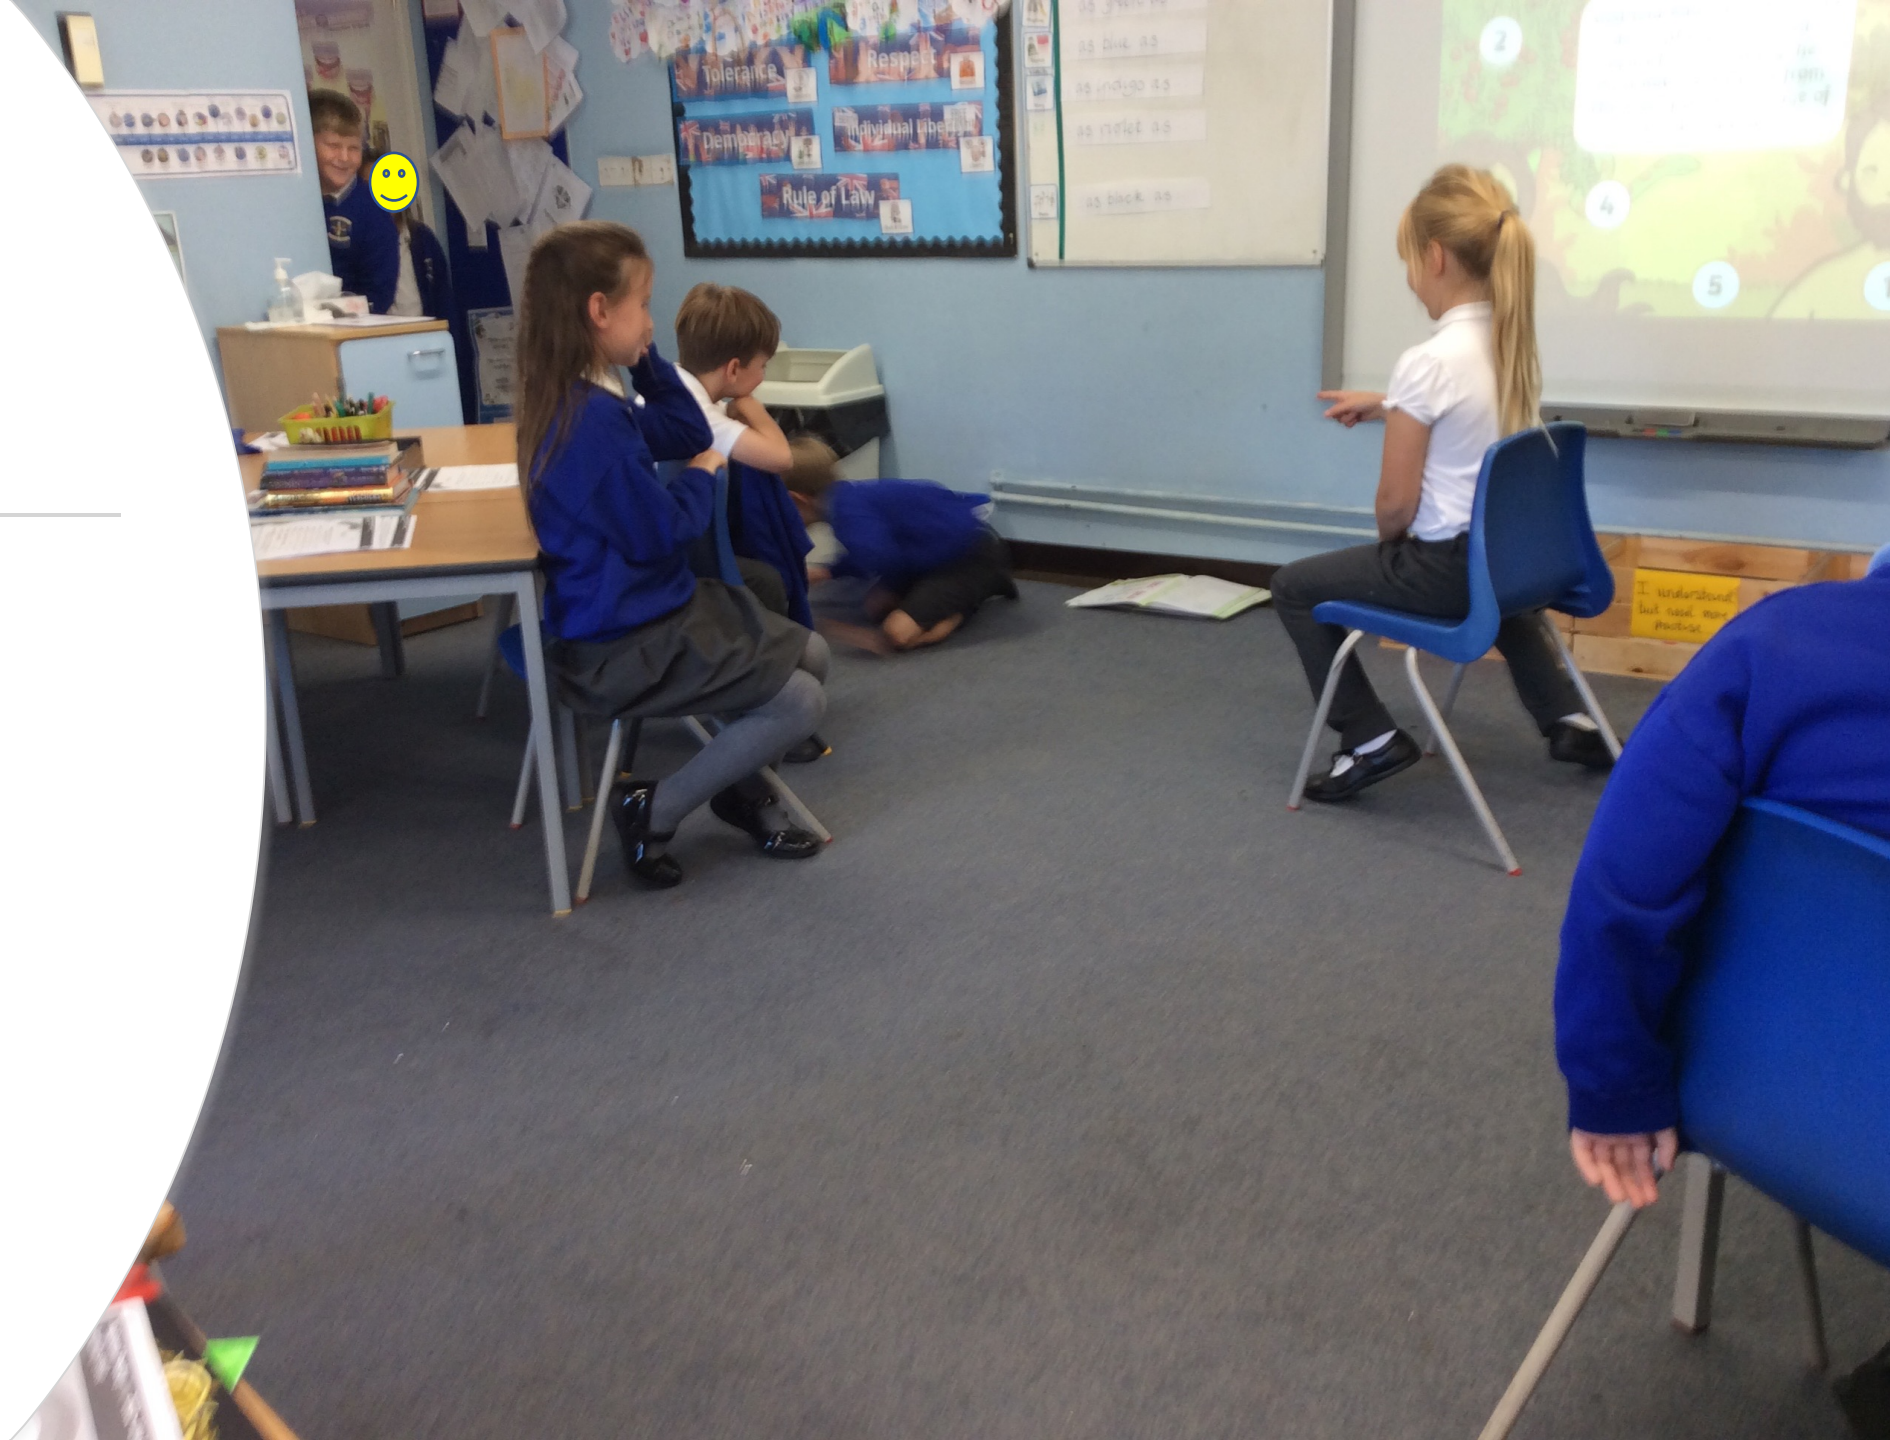

We learnt about the temptation by Eve and The Fall.

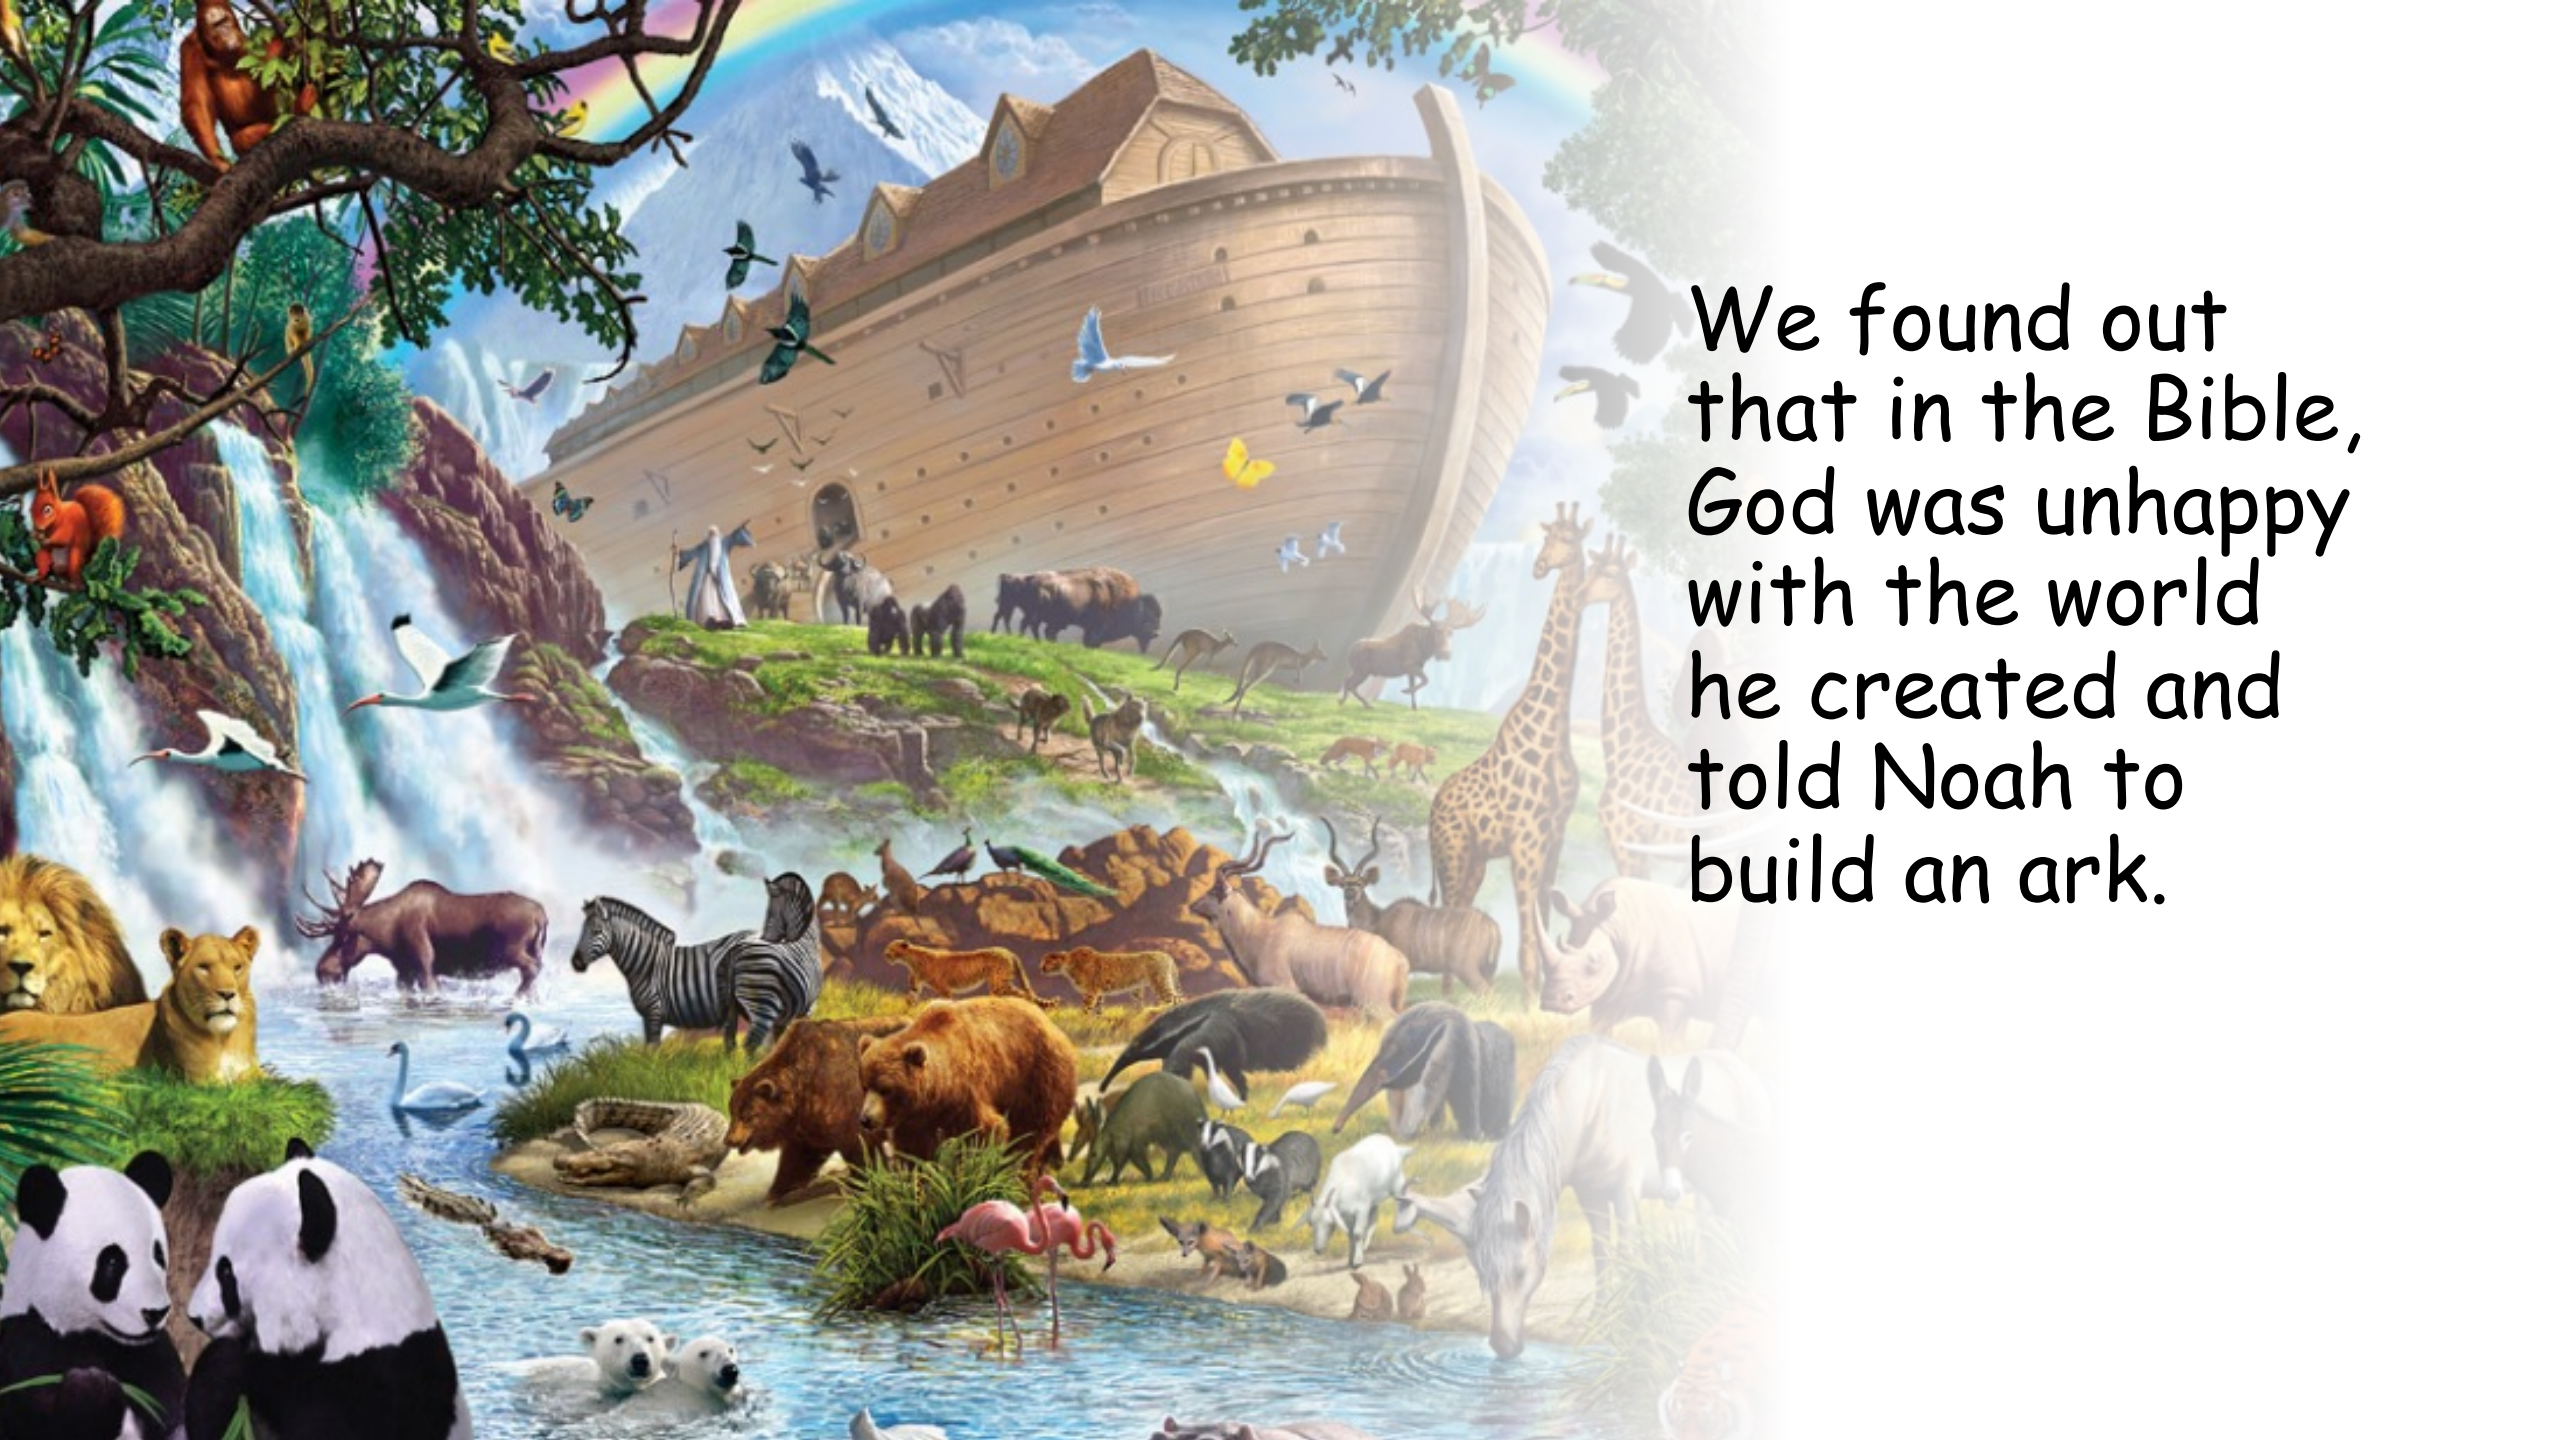

We acted the story out.

We found out  
that in the Bible,  
God was unhappy  
with the world  
he created and  
told Noah to  
build an ark.
