4th February 2022

Message from Head teacher: Just a reminder that you should have all received knowledge maps for the foundation subjects so you can see what your children are learning this term. You can look on our website to see weekly updates of what your children are up to. Please also see our Autumn Term photo books on the website which include pictures of your children. These are great for remembering what they have learnt previously which supports their progress.

Dates For Your Diary

Tues 8th Feb - Safer Internet Day.

Weds 9th Feb - Reception & Year 6 height & weight measurements.

Mon 21st Feb - Fri 25th Feb - Half term.

Thurs 21st Jul - Last day of school.

Cardboard tubes for DT project

Please could class Lynher have donations of cardboard tubes for an upcoming DT project. They need as many as possible!

Landrake Inter School Cross-Country Run - Friday 18th March

The annual cross-country run for KS2 children takes place at Sir Robert Geffery's School, Landrake. Between five and six hundred children from about thirty schools usually take part. If you wish to participate, we need to register numbers in advance so please let the office know by Wednesday 16th February.

BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND 7.45am-8.45am 3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.

Places **MUST** be booked at least 24hrs in advance.

World Book Day - Thursday 3rd March

This year, we are asking children to come dressed as a book character that relates to one of our school values:

- Kindness
- Honesty
- Respect & Responsibility
- Enthusiasm for Learning
- Confidence

There will be prizes for the best costumes and please don't worry about spending money on costumes, the home made ones are always the best!

Easter Bonnet Parade - Friday 8th April

Our Easter celebration and bonnet parade is back this year. Due to Covid, our KS1 children won't have experienced our usual parade. All children need to make a bonnet at home and each year we have a different theme for the bonnets. This year's theme is fitting with our whole school question so please make a bonnet based on something that moves! As always there will be prizes for the most creative bonnets in each class.

Rame Peninsula Art - Young ART School

Due to popular demand an additional 6-week evening programme commences on Monday 14th February from 5-7pm at Woodshed Studio in Millbrook. It is an after school art class for students aged 8-11 years old.

For further information please contact: woodshedstudio79@gmail.com

Class News

Class Lynher - In PE we played a netball tournament. We have written our investigative reports on whether Goldilocks was guilty of her crimes. We played Snakes and Ladders in RE learning about Hinduism. The game was designed to teach children about morality according to Hindu philosophy. We did an experiment about our heart rate and produced a graph to show how our heart rate increases after exercise. By Aimee-Grace & Neve

Class Tamar - In geography, we planned and drew our own settlements. We also plotted different cities on a map of the UK using an atlas. In RE we are learning about Hinduism including the stepping stones of life and karma. We also learnt that they use a Puja tray when praying with offerings to their God. In art, we have drawn a terraced house street scene on black paper using white chalk. This afternoon we are going to paint them choosing a primary colour and making a secondary colour. By Henri

Class Cremyll - This week we have been learning to use a bar model to divide. In science we investigated to find out which materials would make a good umbrella for Jigsaw Jo. We thought about how to make it fair test. In art we were inspired by Andy Warhol and made our own pop art portraits. By Alfie & Bobby

Class Plym - In PE we were learning how to jump safely and create different shapes. We did a star jump, tuck jump and straight jump. In science we tested the properties of materials. We put a rubber glove on and poured water over it and our hand stayed dry - it was waterproof! In computing we had to do some de-bugging to fix the wrong instructions. By Molly & Harriet

School dinner menu change - Friday 11th February
Next Friday will be southern fried chicken tasters instead of fish fingers.
