

English - We will explore the Big Question: Who killed Tutankhamen? We will be retrieving and collating information and identifying evidence in the text to support our theories. We will investigate main and subordinate clauses and be introduced to the perfect tense. We will write letters, paragraphs, and finally compose an explanation text in response to the Big Question.

SMSC

RE - We will look at spiritual Cornwall and how ancient monuments reflect human spiritual inquiry and the 'sacred landscape'. We will also look at various key religious festivals and how they impact our lives, our communities and Cornwall as a whole

MB SMSC

PSHE/Citizenship We will be learning about digital literacy; learning about passwords, showing respect online, communicating online using emails and being part of online community.

MB SMSC

Art and design - Linking with our research in computing we will create a series of artworks to form an art installation celebrating Cornwall

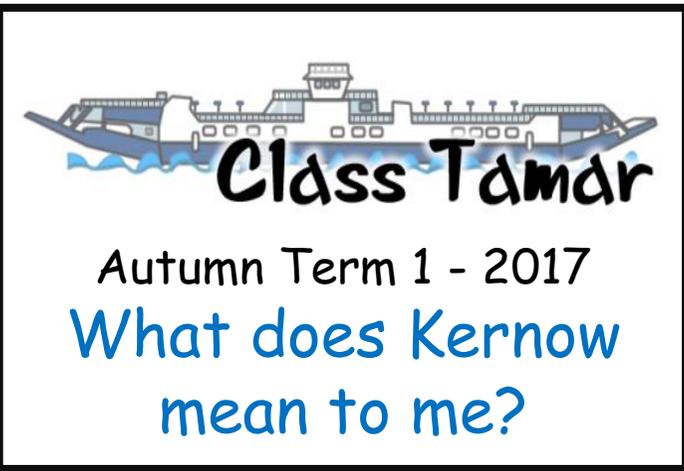

MB SMSC

Computing - We will look at how to effectively search using key words and how to safely communicate online. We will look at how to distinguish between a reliable and unreliable website or webpage. We will identify ways of communicating online, how we can keep safe and the importance of being responsible while communicating online with others.

SMSC MB

Science - We will learn the different parts of plants, and the jobs they do. We work scientifically and collaboratively to investigate what plants need to grow well, and will present their findings. Furthermore, we will have chance to predict what will happen in an exciting investigation into the transportation of water within plants. We will identify the parts of a flower, and will explore the different stages of the life cycle of a flowering plant.

SMSC

PE - Gymnastics - We will focus on rolls, jumps, travel and balance linking them into a sequence. We will link our balance and poise with Yoga helping us develop our core and focus.

MB SMSC

Maths - We will be focusing on number and place value. Looking at ordering, comparing and rounding numbers in the 100s (Yr3) and 1000s (Yr4) We will look at roman numerals. We will then move on to formal methods of addition and subtraction.

MB

French - We will learn the basic of the French language. Learning greetings and simple conversation

History - We will look at the Stone Age to the Bronze Age. We will look at how early man survived in Britain. The significance of ancient monuments and the development of mining.

MB SMSC

Music - We will be taking part in a Royal Opera House singing programme led by Mrs Illingworth. They will be creating and singing their own version of the Opera Carmen. At the end of the programme they will perform their version of Carmen which will include specially arranged extracts from the opera
