Hinduism - Why do Hindus want to be good?

What I have learnt in LKS2: they focused on the concept of Brahman/God in Hinduism.

Facts within religion

Hinduism is very diverse, and so there is hardly anything that we can say 'all Hindus believe ...'

Gandhi came from a rich family but dressed like a poor Indian. He wore simple white cotton clothes that he made himself, even when he came to England to meet the King at Buckingham Palace.

Hinduism is the oldest of the six major world religions. It has no single founder but developed gradually over a period of time.
