5th May 2016

Message from Head teacher: Thank you all so much for your support of our pop up museum. Please can you complete our feedback form, we want the children to understand the impact they had. Our new topic is: **Is it a question of sport?** We opened this by taking the whole school to Mount Edgcumbe yesterday to complete numerous sporting events. A film clip will be posted on our website this evening. If you can offer any expertise or have any links to any sports please can you let us know. Our aim is for the children to experience as many different sports as possible as part of this topic.

Kites available

Following the fun time kite flying at Mount Edgcumbe on Wednesday, we are offering kites for £1 each, if children would like another one or their sibling wants one. Please bring your money in next week as the kites will be available then.

Class News

Class Argyll — Yesterday the whole school went to Mt Edgcumbe. We found out that one of the trees in the park was 250 years old and it was only a 'baby'! We put together and flew our own kites. We also learnt that Drake's Island is a volcano! A dormant one! And that the land used to extend out to where the lighthouse is.

Class Lynher — We have been reading the book Iron Man. We went to Mt Edgcumbe and played rounders, tennis, French cricket and we flew kites - it was good fun. We also had Beach Tribe on Tuesday - we toasted marshmallows and had hot chocolate by the fire.

Class Tamar — This week we have officially launched our new whole school topic 'Is it a question of Sport?' We went to Mt Edgcumbe Park and took part in lots of different sports. Our favourite bit was the kite flying. The whole school flew kites - it was an incredible sight! We have worked with Argyll researching our favourite sports and teams. We also played rounders with the older children 'coaching' us.

Class Cremyll — We flew kites at Mt Edgcumbe and some of them got tangled up. We played the parachute game - some of us were sharks and some of us were lifeguards. We also played on the bouncy hoppers. A ranger gave us a guided tour of the park and we saw a giant redwood tree which was 250 years old and taller than Mr Wilde!

Class Plym — We have been flying kites at Mt Edgcumbe and the best part was that we got to take the kites home. Also we have been playing rounders and we went on an adventure in the forest to see a volcano. We also played on the bouncy boppers. We went for a nature walk.
