10th November 2017

**Message from Head teacher:** Message from Daya: 'Just wanted to thank you and all the staff and the wonderful children for making me feel so welcome at your lovely school! I had a brilliant 2 days and the children were a pleasure to work with - well behaved, respectful and eager to learn as always! Part of your lovely family now!' We always love having Daya in school and the children all enjoyed the workshops about Hinduism.

## Class News

**Class Lynher** - We have been learning about the evolution of humans and found out we have 50% the same DNA as a banana! We have been working on our balancing and enjoying using the PE equipment in the hall. By Connor, Ruby, Jack & Mani

**Class Tamar** - Daya came in this week and we made chapatti's which were yummy. We learnt about different aspects of Hinduism, including the different gods that they worship. We have also been enjoying using the PE apparatus in the hall. By Bobby & Lilah

**Year 2** - We have been thinking about adjectives. To help us with this we have been describing fruit & vegetables using our senses - what they taste, feel, smell like etc. Along with the other classes, we have enjoyed using the PE apparatus in the hall. We have also been rehearsing the children's chorus for Carmen. By Helena & Fenn

**Year 1** - We have been learning to count in 2's, 5's and 10's and practising this in our shop. By Billy

**Foundation** - We have painted our pirate ship and made our own pirate characters, with hats and swords. By Oscar

## PE Kit

The names of all children who currently do not have a PE kit in school have been recorded. Next week, all children must have a PE kit in school.

- Plain dark shorts.
- Plain white t-shirt.

## Children's University Stamps

The Children's University would like to clarify that it is 1 stamp per activity per week. If a child attends 5 hours of swimming lessons, they can only claim for one of those hours each week. However, if they attend 1 hour each of swimming, dance, science, music and chess clubs, they can have a stamp for each of these activities. The scheme runs from age 5-14 so no need to rush to get to 1000 hours whilst in primary school. Your goal is not to fill up your passports as quickly as possible but to fill your years with a VARIETY of experiences.
