

MAKER WITH RAME COMMUNITY HALL, KINGSAND

PRESENTS

Cycletricity's Singalong with the film

MAMMA MIA

IN THE COMMUNITY HALL GARDEN on Sunday 11th September at 8.15 p.m.

The electricity to power this film will be provided entirely by

DAWN WESTERN and her team of cyclists

MAMMIA MIA is the ultimate feel good movie. You've seen it before; you know the songs, but not like this! You'll go home feeling cheerful and uplifted.

Bring a cushion for your seat, a rug, plenty of warm clothes – and your friends – to share in a fun evening watching and joining in with the film of Mammia Mia in the Community Hall Garden (we can move into the hall if it rains).

Dawn has kindly offered her services and those of her super fit friends to provide the electricity by cycling to keep the film going for the entire evening. If they stop, so does the film! Dawn will let you give them a hand for a short session in return for a small donation to charity.

There will also be a couple of short archive films provided by the British Film Institute, including a 1960's father and son cub camp at Maker Heights.

Having raised the money to buy a cinema screen for the hall – shortly to be installed – we are now looking at buying a projector with the monies raised at this and future events.

Tickets Standard £6.00, Unwaged/children £4.00, Family £16
