

# PSHE – Celebrating Differences – What's different about me?

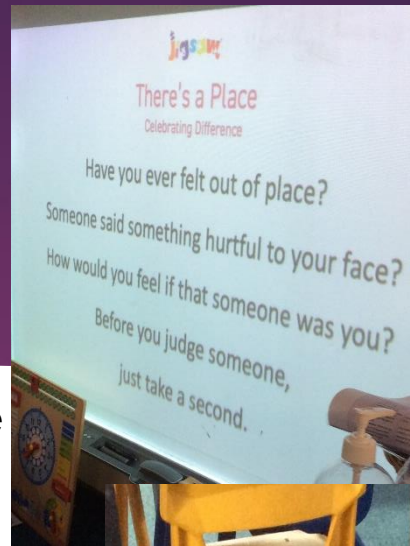

AUTUMN 2 2022

CLASS PLYM

# What am I good at?

We discussed how if we were all the same it would be boring.

I am good at:  
colouring, running,  
reading, cooking,  
climbing, jumping,  
counting, balancing,  
cuddles and blowing  
up balloons.

# I am special, I am me.

We are all in class  
Plym which is the  
same but we are all  
different too.

I have brown  
hair and Skye  
has blonde hair  
but that doesn't  
matter. We are  
unique.

I like  
cabbage  
but Mali  
doesn't.

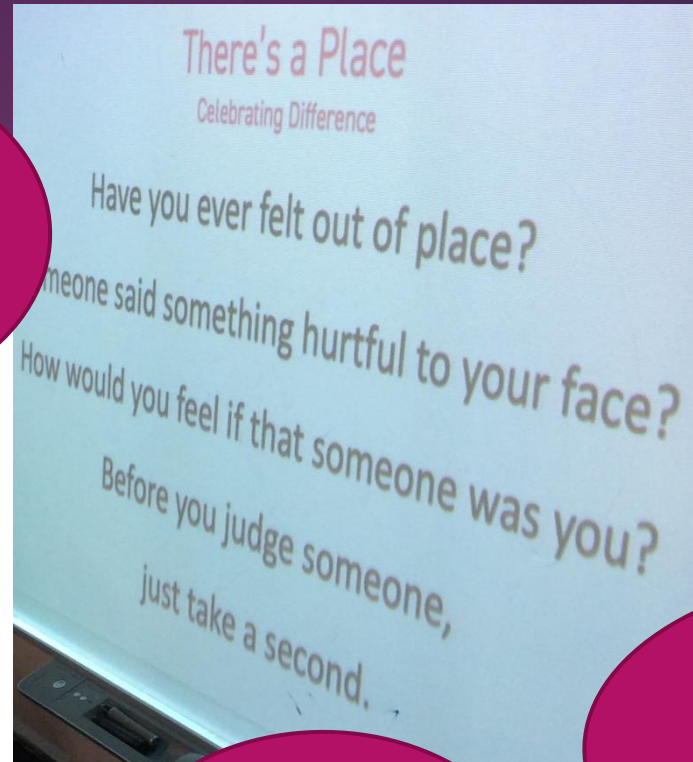

# Families – all shapes and sizes.

My mum  
and dad  
live apart  
and I have  
one brother.

Those families in  
the picture have  
a mummy,  
daddy, brother  
and sister.

My mummy  
and daddy  
live in the  
same  
house.

# The houses we live in are all different too!

The house I made for my creature is way different to the one he made for his.

I live in a brick house that is attached to other houses.

My daddy lives in a caravan but my mum lives in a house. Daddy's house has wheels on it.

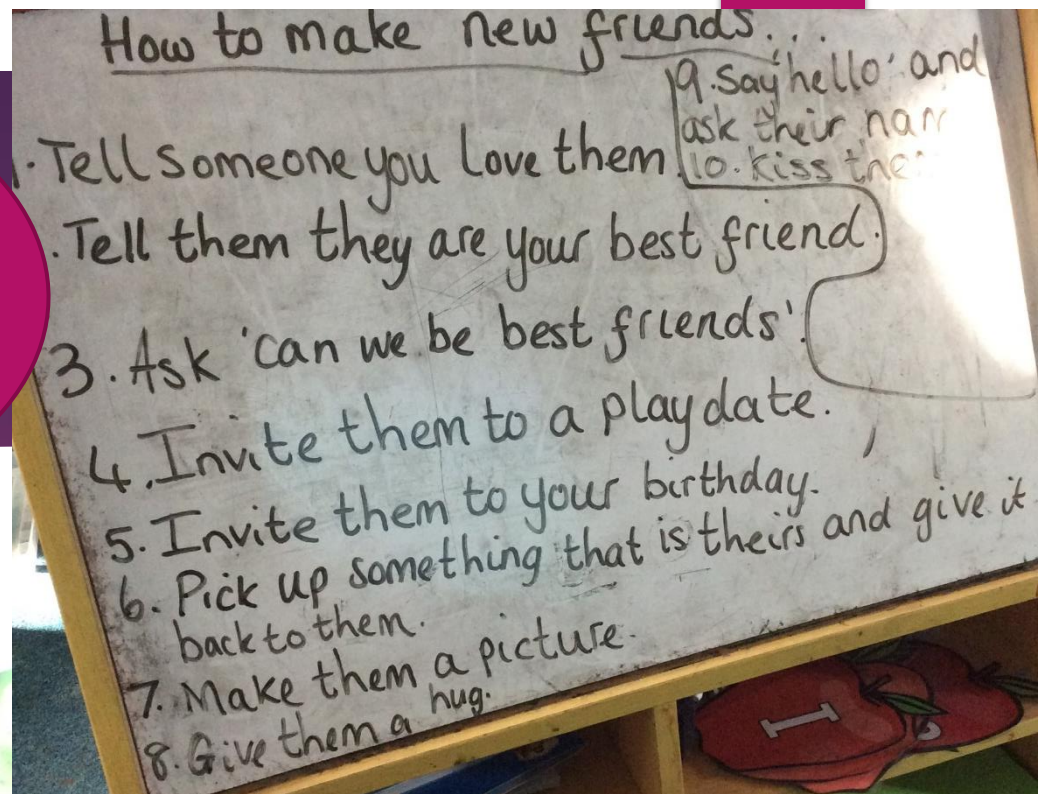

# Making Friends

with people who may be different

If I see someone on their own I might ask if they want to play with me and if they want to be my friend.

I made a new friend once because she dropped her bag and I picked it up and gave it back to her

We talked about how we could make new friends and we came up with a list. We talked about how some of the suggestions may not be safe because of stranger danger. We read the story of the bad-tempered ladybird and how he wasn't doing well to make new friends but that the rabbit and the bird in our other story were very kind and helpful towards each other.

# Standing up for ourselves

We should tell them 'no' and say 'stop that please, I don't like it'.

We shouldn't have to put up with people being horrible to us.

We looked at two puppets who were really good friends but sometimes one would be really mean to the other. Often pointing out their differences. Then one would get sad and walk off.. But should we just walk off and let people be unkind to us?

Grown ups can help us if we aren't happy about something.

# We are all different and that is great!

I am different  
because I have  
different  
coloured hair to  
lots of people.

I am different  
because I like  
marmite and not  
everyone does.

We are  
different  
because he  
likes cars and  
I like marble  
run.

We all signed our  
name to say that  
we agree that we  
are different and  
that it's good to be  
different. We all  
shared how we are  
different.
