25th May 2016

Dear Parents and Carers

We would like to set up Online Safety Group to promote safe use of the internet and to raise awareness of the risks online. The group will meet half termly and our suggestion is on a Friday afternoon, 2.15pm before Celebration Assembly. We need parent/carer representation in this group, ideally a parent from every class. If you would be interested in participating please can you complete the form below and return it to school by Friday 10th June.

Yours sincerely

Richard Wilde

Online Safety Group

Name: _____

I'm interested in supporting the school by joining the Online Safety Group.
