### **Agenda/Minutes**

- 1) UN convention of the rights of children. All children watched the photo story and discussed the rights of children. It was decided that every child in the school should know their rights and that this should be shared in assembly. RN explained that the assembly would have to be led by the school council. Alissa suggested it could be part of Celebration Assembly. This was greeted with mixed feelings, so the children decided to vote on it. The clear majority wanted the assembly to be just for children. **ACTION: The school council supported by RN to prepare an assembly to be delivered before Christmas to all children explain the UN convention of children's rights.**
