**Message from Head teacher:** Please see the flier and the back of the newsletter for information on our Make May Purple Bake Off. It's been 2 years since our very successful family bake off where we really were blown away by the effort put in and the amount of cakes received. Hopefully this will be even more successful. It is a lovely opportunity for the whole family to be involved and we look forward to seeing your creative creations. As part of Make May Purple we will be giving age appropriate information on Strokes. Please also remember that it will be purple mufti day on Friday too, in support of Make May Purple.

## Class News

**Class Lynher** - We have been doing SATs this week and are pleased they are over. We have practised for sports day by doing the sack race, shuffle relay, flat race and skipping. This afternoon, we are having an after SATs party and get to watch a film and have some yummy food! By Ellie & Brae

**Class Tamar** - All week we have been learning in our outdoor classroom and used this for our maths and science. We did an evaporation experiment and measured the perimeter of the football pitch amongst other things. We have also been making our own Mayan Gods in groups. By Alissa & Oliver

**Class Cremyll** - In English we have been reading a story about lies called 'The Whole Truth' and have used this to make up our own stories about lies. We have been collecting sticks to make a Class Cremyll values tree. We have been learning about the seasons in science and different ways to run in PE. In RE we have been learning about celebrations. By Ollie & Bobby

**Class Plym** - We have been writing alternative endings to our story about Bob, the man in the moon. We have made teepees on the field and made stick men tribes to go inside them. We are having a competition to see who's stays the driest! By Josie & Aimee-Grace

## Online Safety

Please be reminded that children in Primary School should not be accessing social media sites such as Facebook, Snapchat, Instagram etc. The minimum age to use these sites is 13. There has been an incident in Torpoint this week regarding the use of Facebook. In school we have reminded the children about online safety. We have discussed that you can never be sure who you are talking to online, and to consider stranger danger. All classes are currently working on a digital literacy unit where they are learning how to be safe and responsible online. We ask when your children are at home, please can you monitor their use of the internet.
