9th September 2022

Message from Head teacher: Welcome back everyone and thank you all for supporting our new opening times. It is wonderful to have a back to normal start to the year. I'd warmly like to invite you all to Celebration Assembly next Friday at 3pm in the school hall. Those of you that can remember them will know that they can be quite busy, so you are welcome to wear a mask if you choose. We will open windows etc for ventilation. The last time we had parents was back in February 2020. It is a wonderful opportunity for you to get a feel for the school and see what the children have been up to.

Help Needed

We need help removing the large display board at the end of the hall. The holes will then need filling and the plenty more fish collage will need mounting up there. Due to the size and weight this job will need at least 2 people. We need this doing ASAP as the collage is taking up room in our working space. Please call the office or see a member of staff if you can help.

Reading

Our expectation is that you read with your child 5 times a week at home and record this daily in their reading record. Reading at school does not count towards this. The class teaching assistants track the reading of every child.

School Dinners

School dinners are now £2.41 per day for children in Tamar & Lynher, unless you are entitled to free school meals.

Please can all KS2 children who pay for dinners, pay each week or half-termly in advance. If you need an activation letter for Parentpay, please contact the office. If you think you may be entitled to free school meals, please apply online:

www.cornwall.gov.uk/schools-and-education/schools-and-colleges/school-meals/

Also, if your child is in Reception, Year 1 or Year 2 and you think you would be eligible for free school meals, regardless of the Universal Infant Free School Meals Scheme, please apply online as the school receives vital funding for your children.
