## How do I name animals in French?

**Class Tamar**

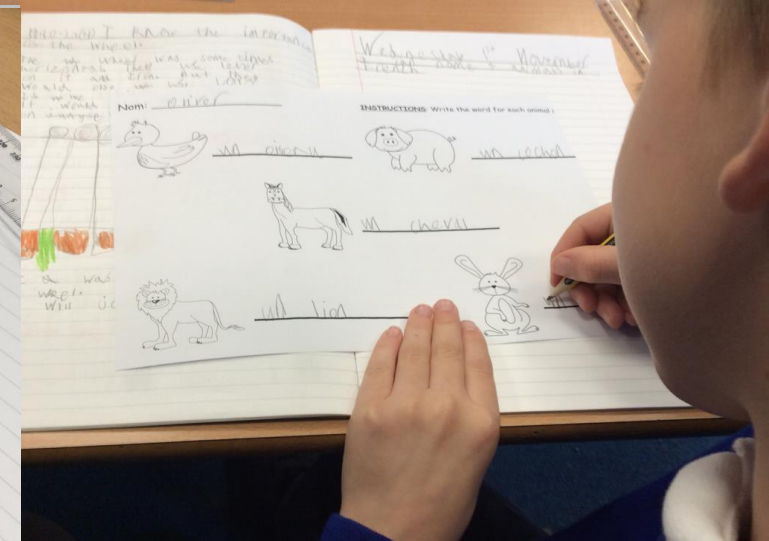

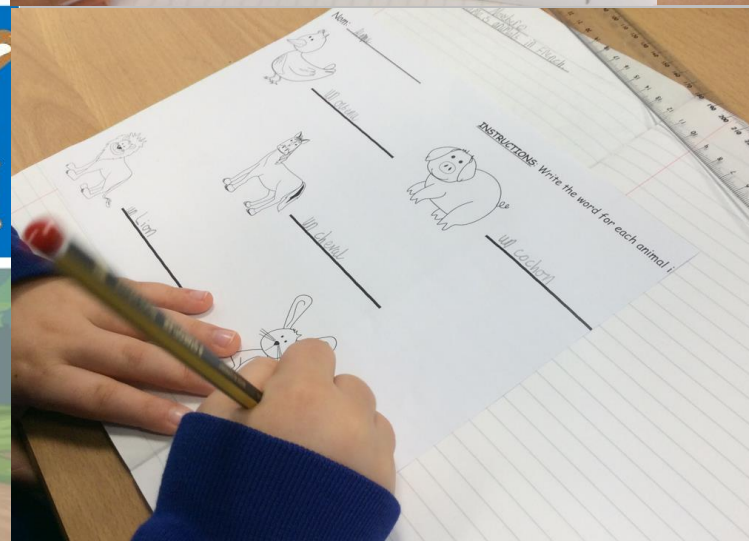

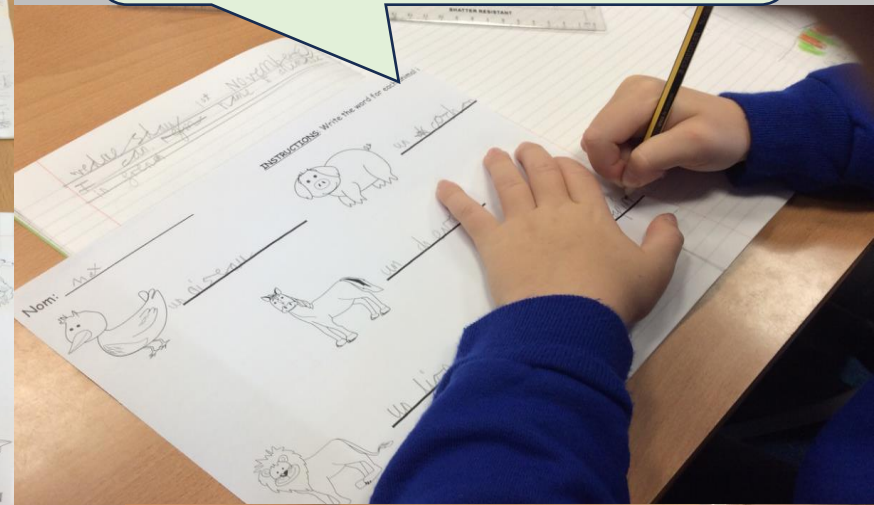

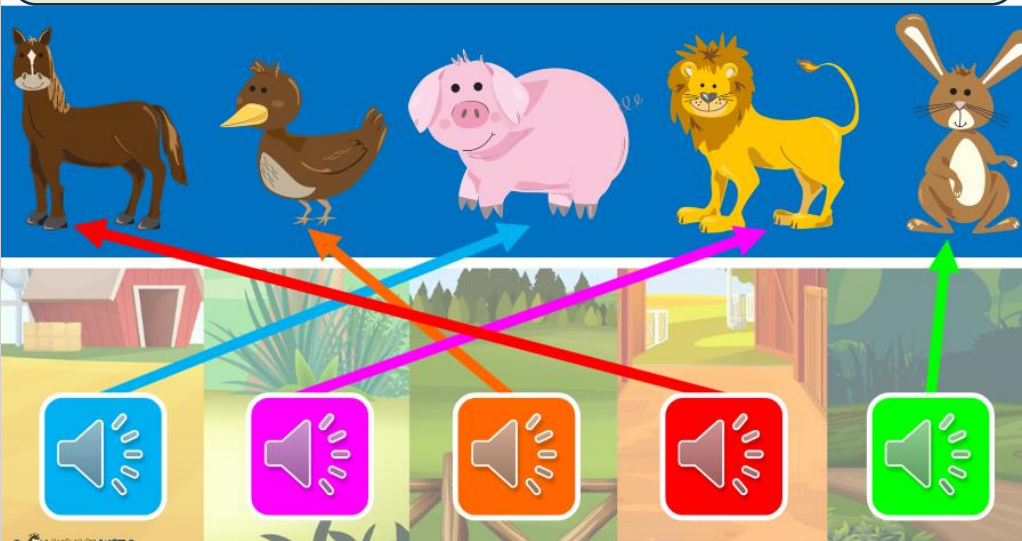

**Autumn 2 2023**

We learnt how to recognise, recall and spell five different animals in French.

# Les animaux

The lion is easiest for me to remember because it's spelt exactly the same but pronounced differently.

I remember how to say 'rabbit' because it sounds like the rabbit is leaping "la pas".

We learnt how to recognise, recall and spell a further five different animals in French.

# Les animaux

Canard is  
French for duck.  
This is my  
favourite one!

My favourite  
French animal  
is 'un singe', it  
reminds me of  
my brother so  
it's easy to  
remember!

We had a couple of lessons where we consolidated the pronunciation and spelling of all ten animals we have learnt so far in French with a particular focus on the indefinite article/determiner (un/une).

Place the animals into the correct column. **ANSWERS**

un

un canard

un lion

un cochon

un lapin

un cheval

un oiseau

un mouton

un singe

une

une souris

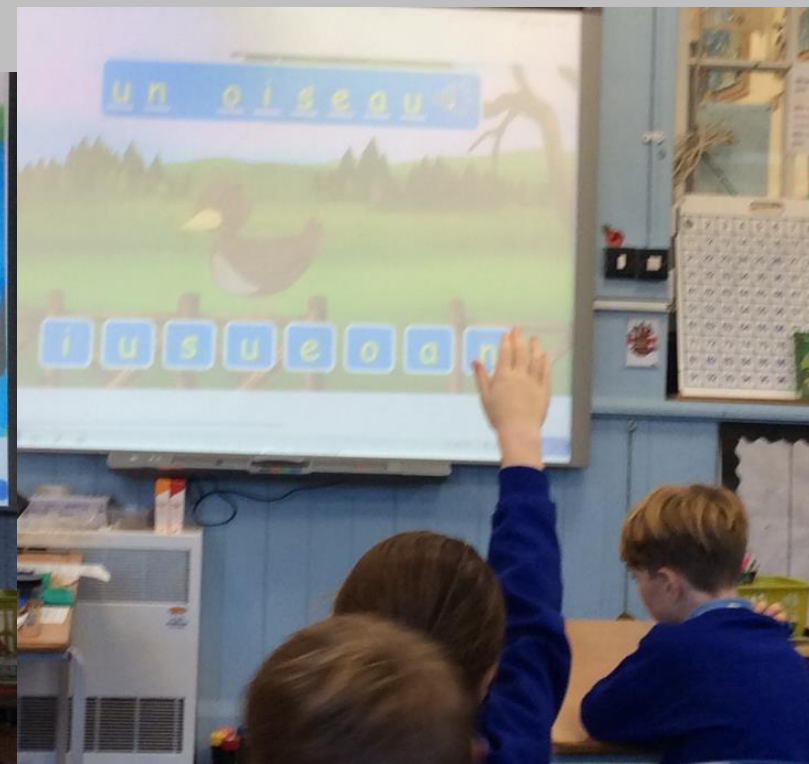

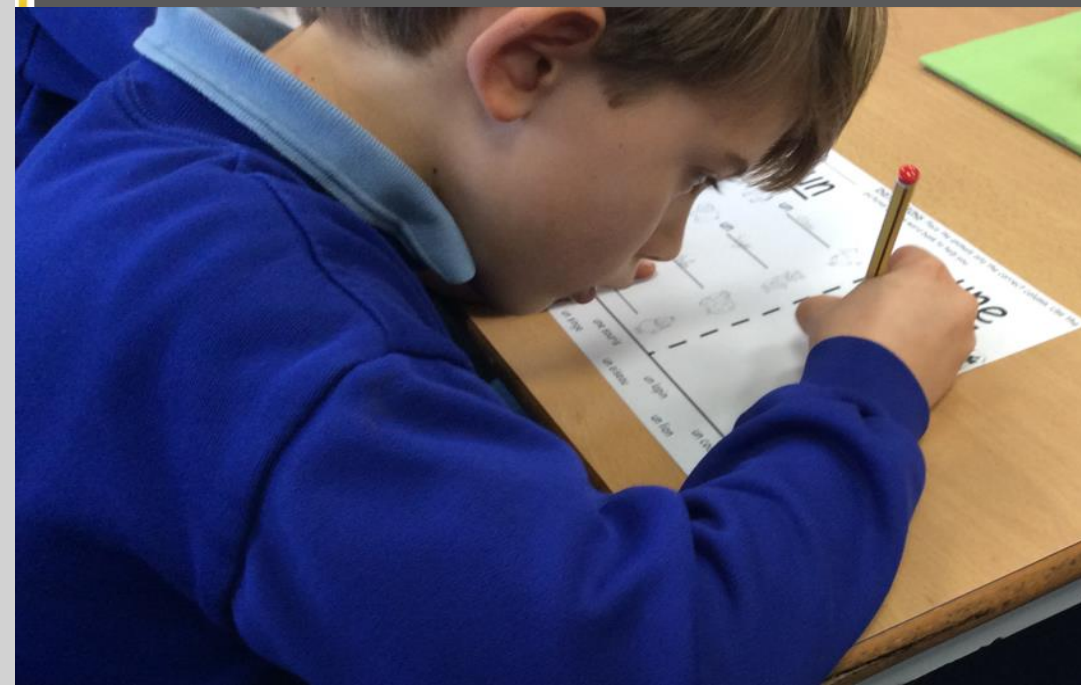

une vache

Sheep is 'mutton' in French, there's a food called mutton which is an older sheep meat.

I can remember all of the animals but cow was the hardest to learn which is 'vache'!

We learnt the first person verb 'je suis' (I am) so that we were able to form a short sentence with the animal nouns we've learnt.

Devine qui je suis 

I am...

Je suis... 

'Je suis un lion' means 'I am a lion'.

'Je suis un canard' means 'I am a duck'.
