

Dear Parents

As you are aware, next Wednesday Class Cremyll will be taking part in a foraging day. I've organised for the foraging to take place at Maker Heights and would be grateful if you could drop your child off at Maker (meet on the large grass area on the left as you enter at the main entrance) at 9am and collect them at 3pm from the same place.

This is going to be a very exciting day as the children will forage in the morning for edible food and cook what they have found during the afternoon session. There will be the opportunity for them to cook 3 different things.

I've arranged for every child to receive a free packed lunch as usual but if you do not require this, as your child intends to bring their own, please let me know.

Every child will be able to dress in mufti but I do ask that they wear their school jumper. I will take the wet weather suits along which we use for beach tribe in case of bad weather but it is also advisable for them to wear sun cream and bring along a sun hat just in case the weather is in our favour.

If you have any queries please do not hesitate to contact me.

Many thanks

Leisha Champion
