Class Tamar

French

Family and Friends

We were introduced different names for each member of the family and practise saying, "I am..." and "This is..." in French.
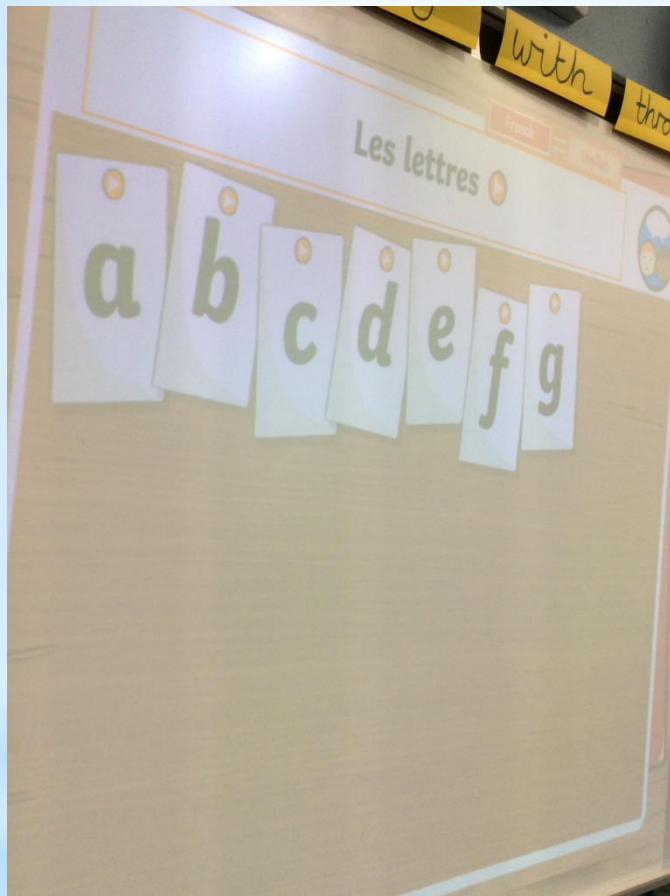

We were introduced to some names for different pets at home and had a go at practising what pets we have at home.

We learnt the letters of the alphabet in French and practised this as a class.

We recapped what we have learnt before (What is your name? My name is...) and added spelling out our names! We made sure we used French pronunciation.
