What do Hindus believe God is like?

Autumn 2023

We found out about the Hindu symbol AUM. AUM was the sound that Hindus believe started the creation of the universe.

Hindus will use the Aum symbol on electronic devices.

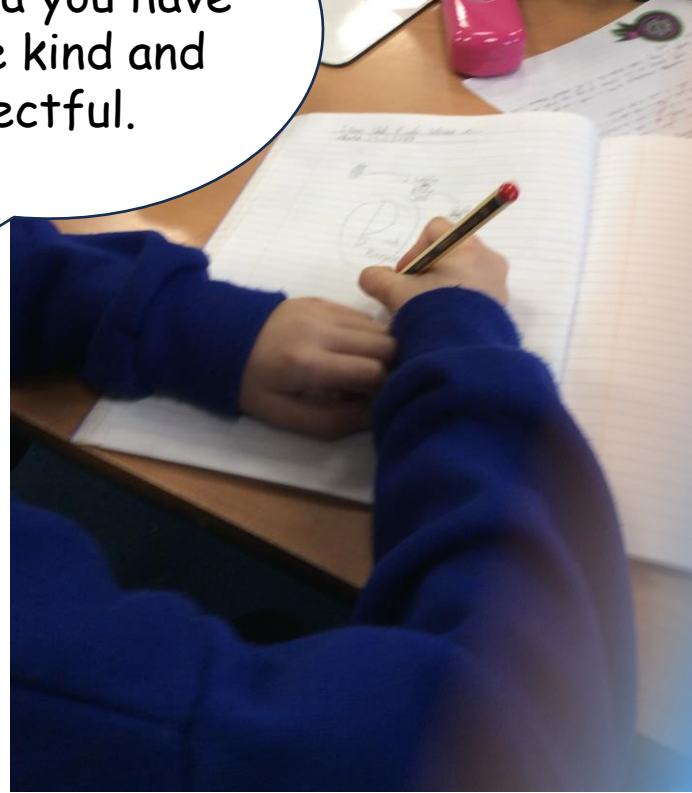

We found out about the Hindu creation story and that Hindus believe in one God who can take three different forms.

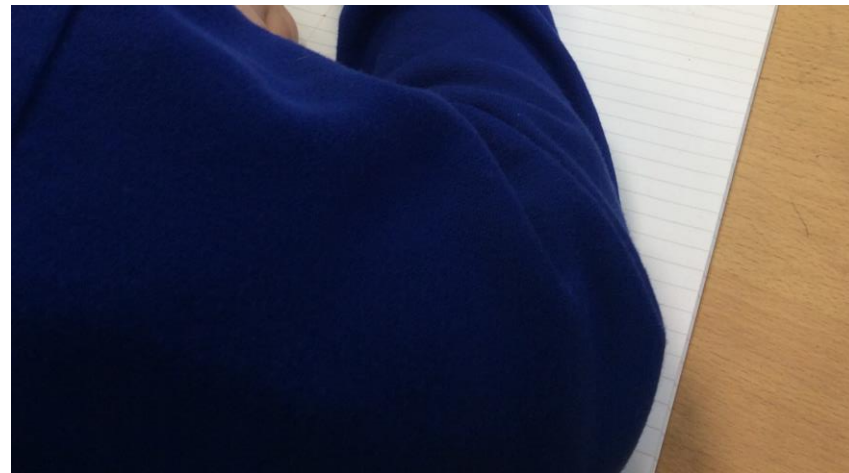

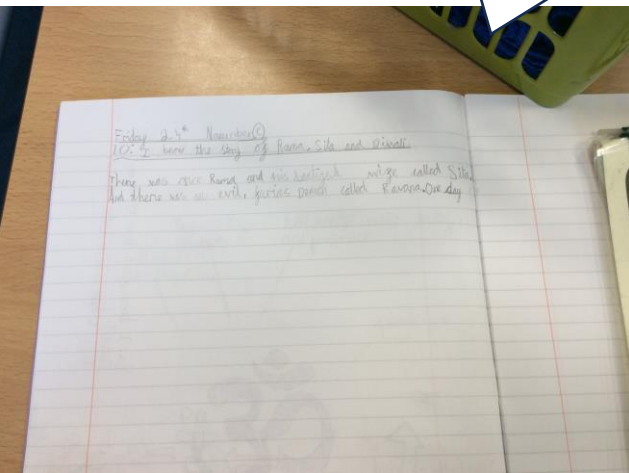

One of the different forms is Vishnu the Preserver.

To get good
karma you have
to be kind and
respectful.

Hindus believe in rebirth. This is when they can come back as an animal or plant depending on good or bad karma.

We retold the story of Rama and Sita and the demon Ravana. At the end of the story lamps were lit to celebrate Rama and Sita coming back home. This is why we celebrate Diwali.
