## **1. Our Vision and Aims for Equality and Diversity**

'We will treat everyone at Fourlanesend Community Primary School fairly, celebrating difference and meeting different needs so that all members of our school community are free to live, learn and enjoy'

Fourlanesend Community Primary School is committed to:

- Tackling discrimination on the grounds of age, disability, gender identity (gender reassignment and transgender), pregnancy and maternity, race, religion or belief, sex (gender) or sexual orientation

[in relation to age the focus is about their employer function and not their school duties]

- Advancing equality of opportunity
- Creating good relations between different groups

## **2. Defining Equality and Diversity**

### **2.1 Equality**

Equality is about fairness and equality of opportunity and advancing equality of opportunity involves treating people differently. People should not be treated the same. Some people may need extra help or adjustments to be part of the school community; this includes teachers, administration, cleaning or catering staff employed at the school as well as pupils/ students, parents and school governors.

Relating to the Equality Act there are nine 'protected characteristics' these are age; disability, gender reassignment [transgender], marriage / civil partnership, pregnancy / maternity, race, religion and belief (and having no belief), sex (gender) and sexual orientation.

Under the general duty schools must exercise 'due regard' in respect of each of the eight protected characteristics (excluding marriage and civil partnership) to:-

1. Eliminate unlawful discrimination and harassment
2. Advance equality of opportunity
3. Foster good relations between different groups

### **2.2 Diversity**

Diversity is about valuing people as individuals and learning from our differences. Our differences can be visible and non-visible. Promoting diversity we can meet different needs creatively to ensure opportunities are available to all and potential is fulfilled. Promoting a diversity friendly school culture we are able to meet our school's aims and objectives more efficiently.

Culture is about the way we behave towards one another – school governors, all employees in the school, parents, pupils and the whole school community. It is about how we treat one another and respect our differences. Promoting diversity and a diversity friendly culture helps to create a more productive school community.

### **3. Purpose and Scope of the Policy**

This policy sets out Fourlanesend Community Primary School's commitment to promoting equality and diversity.

We believe that it is our responsibility to promote equality and diversity wider than the nine characteristics (areas) covered by legislation. We work to remove barriers and we will not unfairly discriminate on any grounds.

We do this by:

- Using the school Buddies to 'Buddy up' children to ensure they feel happy, safe and secure around school. This Buddy is also someone they can talk to if they have any concerns or worries
- Providing a curriculum, which promotes positive understanding of different characteristics, recognises the contribution that individuals and groups with protected characteristics make to society, and challenges stereotyping and discrimination.
- Monitoring and reviewing this policy and reporting annually on progress in the information we publish to evidence how we are meeting the requirement of the public sector equality duty. Please see policy on school website.
- Publishing and reviewing our equality objectives (and reviewing them at least every four years) Please see policy on school website.
- Undertaking other activities and measures as outlined in this policy document, our published information and other relevant documents.

The policy applies to:

- School governors
- Staff
- Parents
- Pupils (as appropriate)
- Contractors
- Visitors to the school

### **4. Roles and Responsibilities**

All members of the school community, governors, staff, pupils, parents, visitors and contractors all have a part to play in implementing this policy, promoting diversity and equality, challenging inappropriate behaviour or practice to remove barriers and avoiding discrimination.

To promote understanding of this responsibility Fourlanesend Community Primary School will:

- Ensure governors, staff, parents, and contractors are made fully aware of our equality and diversity policy and how it affects their work
- Ensure pupils and visitors to our school are clear about the expectations relating to our commitment to promoting equality and diversity
- Provide training / development and updates as appropriate

- Review our equality objectives and actions to ensure all relevant activity remains relevant and meets the identified needs and priorities of our school.

In addition school governors / relevant committee have responsibility for overseeing agreeing, monitoring and reviewing of our school's equality objectives, and related activity.

#### **4.1 Breaches of Policy**

Fourlanesend Community Primary School views any form of discrimination as a serious act of misconduct. Any allegation of a breach in the policy will be investigated by the Governor Complaints Committee. This may lead to disciplinary or other appropriate action being taken.

### **5. Monitoring and review**

Fourlanesend Community Primary School has specific duties under the Equality Act to publish information about the diversity of our school community and the work we are doing to promote equality. This information can be found on our school website. We will review this information annually.

### **6. Bullying and Diversity incidents**

#### **6.1 Pupils**

Fourlanesend Community Primary School believes all pupils should be safe and feel valued for themselves, whatever characteristics they may have. Bullying and harassment of pupils, staff, parents, visitors and/or contractors by pupils on the basis of their identity (including a perceived characteristic, and by association with a protected characteristic) is unacceptable. Incidents will be logged, investigated and appropriate actions taken to prevent future incidents and to support the victim as outlined in the anti-bullying policy.

#### **6.2 Staff and Governors**

The council and Fourlanesend Community Primary school view any form of discrimination undertaken by adults as serious acts of misconduct. Any such breaches could result in disciplinary action being taken and in the case of harassment, might call for police involvement.

### **7. Diversity Complaints**

Fourlanesend Community Primary School takes seriously all complaints; where a complaint is related to equality/diversity issues, the school procedure for dealing with to complaints will apply. Complaints should be made to the chair of governors or vice chair.

#### **Development of the Equality Action Plan**

It is a requirement that the development of this plan and the actions within it have been informed by the input of all stakeholders. We have achieved this by using the following to shape the plan

- Feedback from staff or input through staff meetings/INSET
- Input from Governing Body meetings
- Feedback from the parent/carers survey
- Feedback from the school council, PSHCE lessons and whole school surveys on children's attitudes to self and school
- Issues raised in reviews of Individual Education Plans, Annual Reviews and Support Meetings

#### **Review of progress and impact**

We make regular assessment of children's learning and use this information to track progress and attainment. As part of this process, we regularly monitor achievement and uptake by gender, ethnicity, special educational need and disability to ensure that all groups of children are making the best possible progress, and take appropriate action to address any gaps. The governing body has a rolling programme for reviewing our school policies and their impact. In line with legislative requirements, we will review progress against our Equality Action Plan annually and review the entire policy and accompanying action plan on a three-year cycle.

#### **Publishing the Action Plan**

In order to meet our statutory requirements we will

- Raise awareness of the plan through staff meetings, assemblies, governing body meetings, parent/carers consultations and school newsletters
