### Menu Change - Friday 7th July

Southern Fried Chicken Wrap and Chips.

Or

Cheese & Tomato Pizza and Chips.

Jacket Potatoes are also available.

### Class Tamar

Please may children in Class Tamar come in with a plastic tub next week (a basic takeaway tub per child is all we need), in preparation for making our own fossils! As some extra homework, it would also be great if they could come in with an interesting shell that they have found for us to fossilise.

### FAO Parents of Children in Year 5

Cornwall Council will be writing to the parents/carers of all current Year 5 children at the end of the summer holidays with details of how to apply for a place at secondary school for September 2024. Therefore, if you think we might not have the correct address details for you, please let the office know.

### FoFLES Summer Fayre - Friday 14th July

PLEASE could we have donations for the tombola. It might be too warm for chocolate, but toiletries or such like would be greatly appreciated.

### ParentPay/School Meals Debt

Please can you make sure you check your ParentPay dinner money account and pay what you owe as the account is still in debit. This is particularly important for children who are in year 6. If there is an overdrawn balance on any payment item this will impact on very tight school budgets. Please note that unlike primary schools, there is no 'overdraft/credit' facility on ParentPay in secondary schools; if there are no funds available school lunches cannot be ordered.

### Class News

**Class Lynher** - We have played tennis in PE and also continued with fencing which was fun. We have been learning about humanism in RE and climate change in geography. The Year 5's have made posters for the Year 4's, explaining the classroom expectations for next year. Today we have been cooking our seasonal recipes including quiche, muffins and salad. Year 6 had a great day at Trethorne yesterday. By Sage, Theo, & Pearl

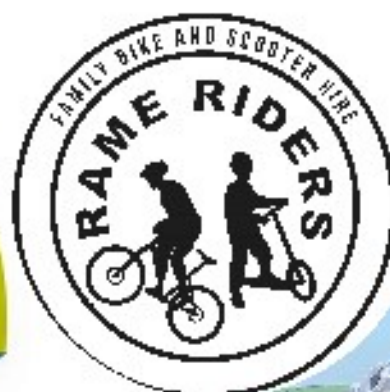

**Class Tamar** - We had great fun in science this week making our own telephones as we were learning all about sound and how it travels. We had a go at playing a giant game of Chinese whispers with the whole class, passing the word down through our phones. Not surprisingly, the end word was definitely not the same as the starting word! In Music, we carried on looking at sound effects and made up our own short story, which we then used the instruments to add sound effects to. In geography we studied a map of Europe, labelling 10 of the main countries, specifically concentrating on the location of the Mediterranean and which countries are included in this region. By Alma and Alfie

**Class Cremyll** - In PE we have learnt to play tennis and in DT we have been sewing our bunting and perfecting our stitching. In geography, we talked about the map of the UK and found Plymouth and the Rame Peninsula. By Clara & Alfie

**Class Plym** - We have written our own section of our new class book 'What the Ladybird Heard'. In PE, we played a fun game called 'Banana Tag' and also pretended to be in a circus. We really enjoyed making yellow play doh with Mrs Gibson By Louise, Savannah & Noah. H

### Uniform

We have noticed quite a few children wearing trainers. Please can we remind you that these are not part of our school uniform and school shoes should be worn. If you need to replace any uniform/shoes for children in year 6, please buy what will be needed for their secondary school.
