

PE and sport funding report to parents- Fournalanesend Community Primary School . *Total number of pupils on role - 114*

Financial year 2014/2015- amount of funding £8250 received from government grant for period September-September

Any additional funding came from school budget.

Fournalanesend's Vision Statement:

To be a forward looking creative community school providing our children with an outstanding education and developing in them personal qualities to enable them to thrive within a changing world.

At Fournalanesend we believe PE & Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve the provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Summary

Our aim is to use the Sports premium funding to create a sustainable culture of physical education in Fournalanesend; to give the children the ability to take part in well delivered, high quality sporting activities to reinforce the health benefits around keeping active. We will invest in training for our staff and supplement their skills with those of outside qualified providers. Long term it is our intention to improve our school grounds in order to offer better facilities for our pupils.
