A photograph of the Kaaba in Mecca, Saudi Arabia. The Kaaba is a large, dark, rectangular stone cube with gold-colored decorative bands and small gold plaques. It is surrounded by a white circular graphic. In the background, two white minarets rise from behind the Kaaba under a blue sky with scattered white clouds.

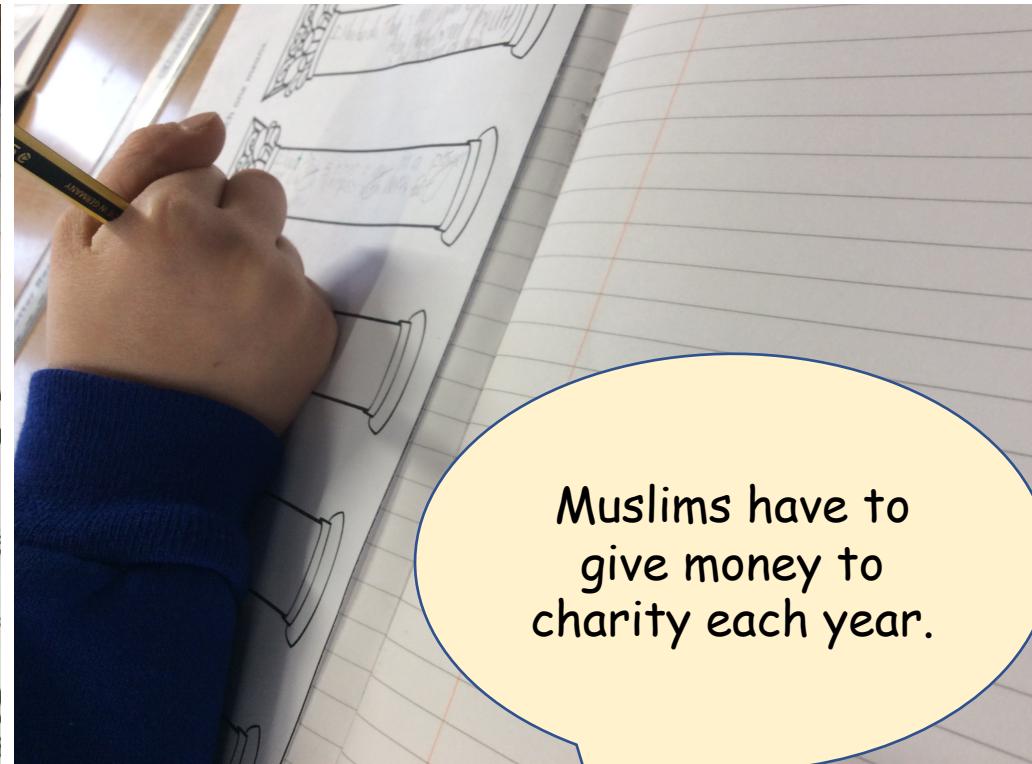

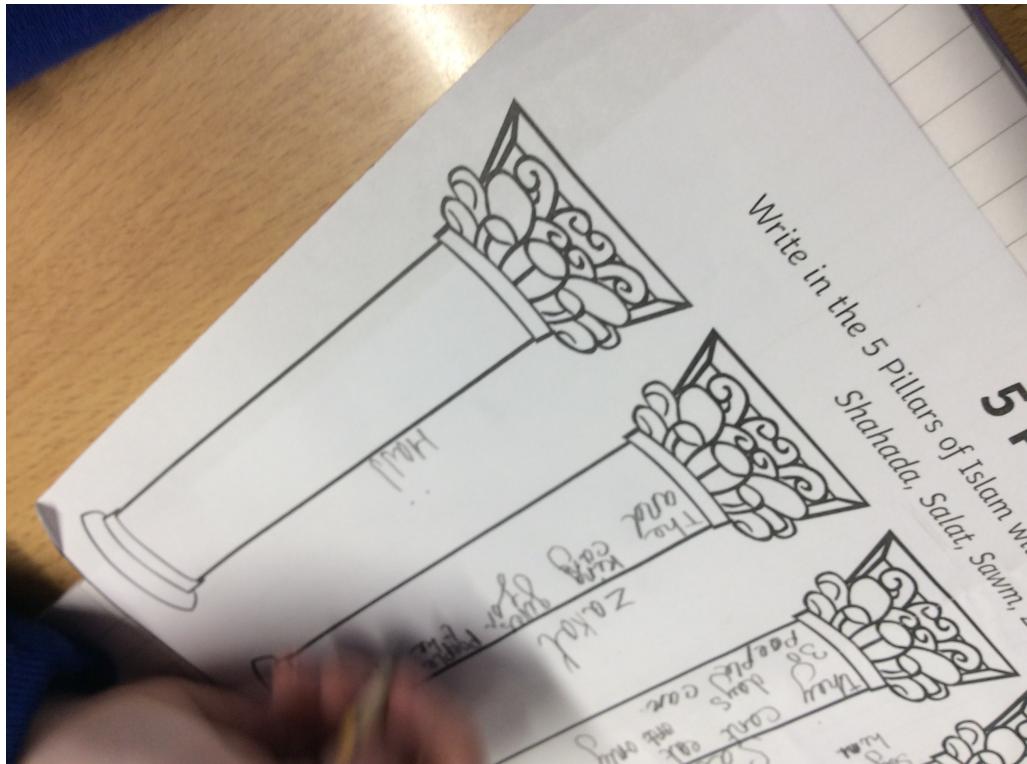

Spring 23
I can describe
what matters to
Muslims.

The first thing that we needed to know was that we never draw or show Muhammad (PBUH).

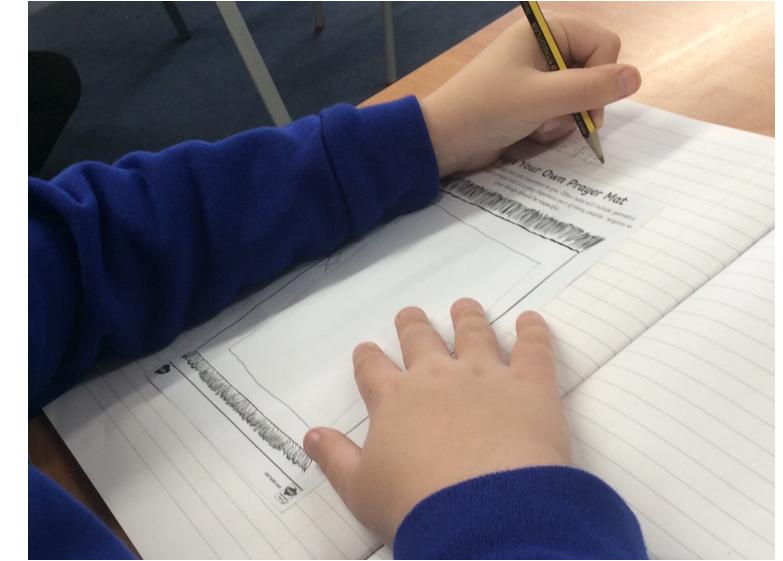

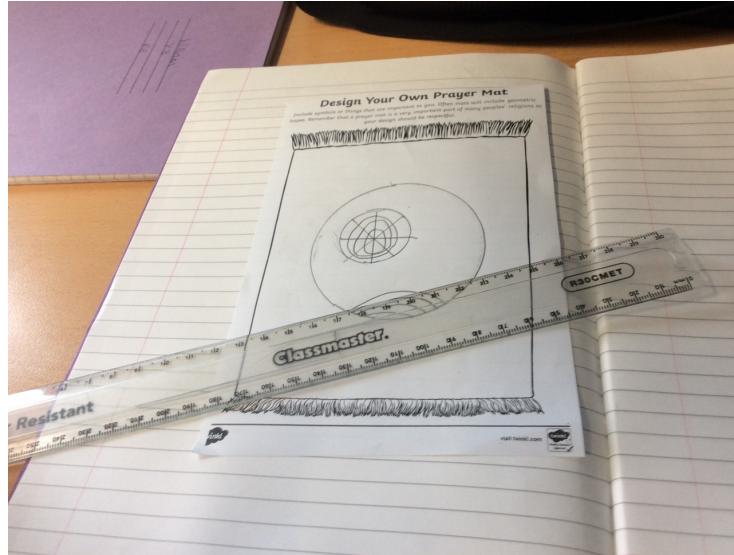

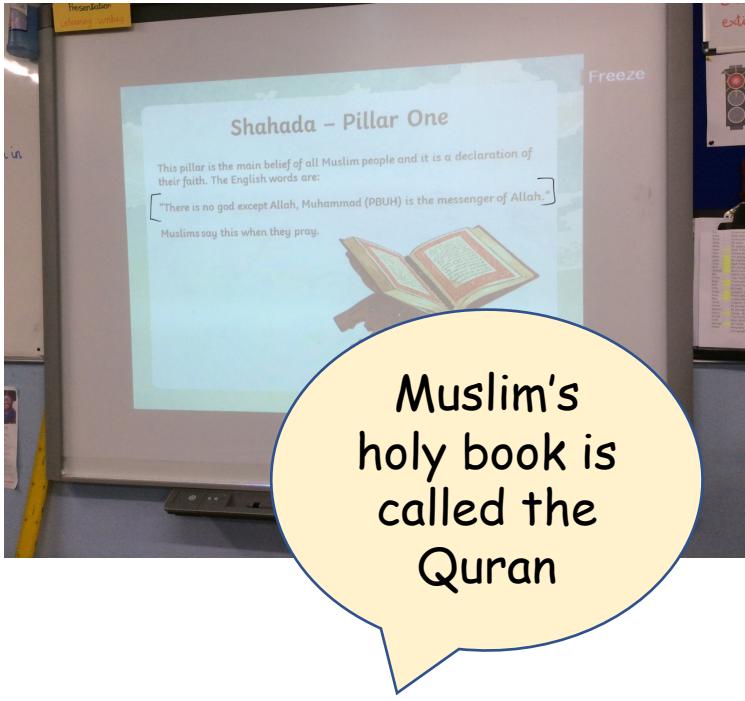

This is because it is considered disrespectful in the Islamic faith to draw pictures of Muhammad (PBUH).

We found out about the 5 pillars of Islam.

Muslims have to give money to charity each year.

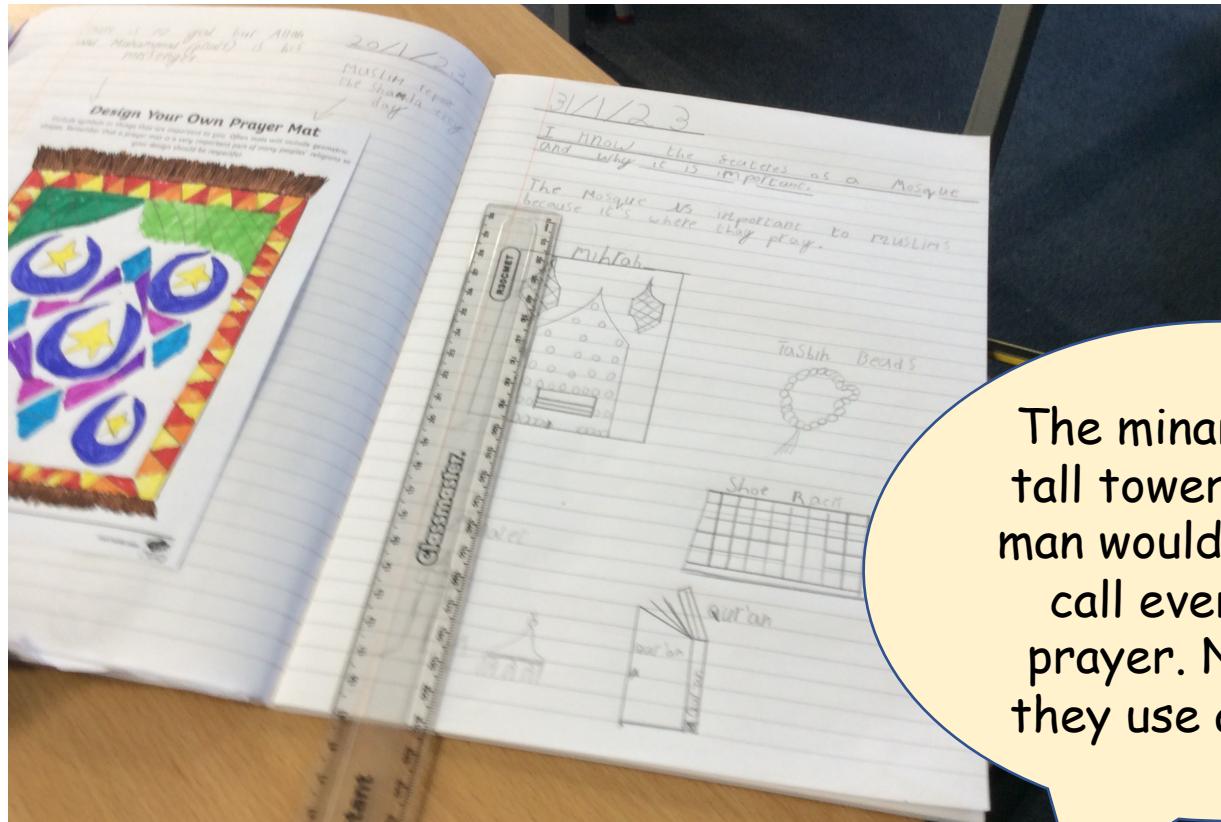

Muslims pray on a mat and always face Mecca. Some mats have compasses.

We did a virtual tour of a mosque with Hibba and Issa.

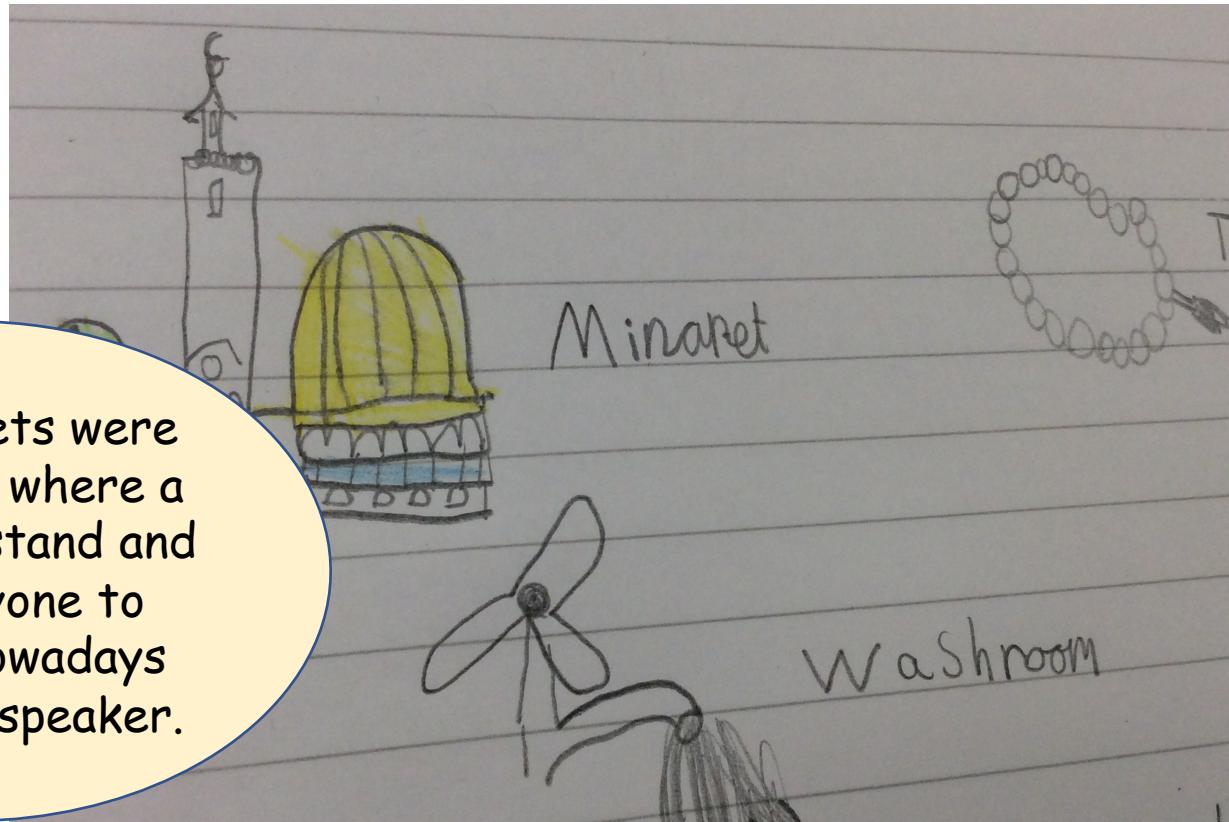

Everyone puts their shoes in a shoe rack before prayer as a sign of respect.

We identified parts of the mosque like the mihrab and the minarets.

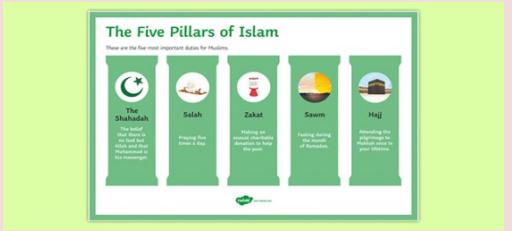

The minarets were tall towers where a man would stand and call everyone to prayer. Nowadays they use a speaker.
