### Performance

*We listened to and practised the different songs in Goldilocks.*

The more we sing the songs, the more confident I felt performing them!

It helps me remember the words when we practise one verse at a time!

*We performed to our parents as a whole Key Stage, applying the skills that we had learnt over the half term!*

We all used our Confidence and Enthusiasm for Learning to perform well to our parents!

It was tricky to make sure that my voice reached the back of the hall, but as a big group its much easier.
