19th May 2017

Message from Head teacher: Fingers crossed the weather will be good next Friday and we can hold our annual Sports Day. It will be a prompt 1pm start. We need help on the finish line, giving out the places and help setting up the races (sorry, both my boys are unavailable next week—this is usually their job). When Sports Day is over you will be able to collect your child from the classroom and take them home. Last year we finished at around 2:30pm. We would also appreciate help taking back in the equipment at the end.

Dates For Your Diary

Friday 26th May - Sports Day, 1pm start (weather permitting).

Friday 26th May - Last day of half term.

Monday 29th May - Friday 2nd June - Half term holiday.

All students in years 4, 5 and 6 are invited to attend to find out all about the college from students and staff.

FREE Family Fun Day

Forest school activities, nature trail, photography workshop, silly science, games, story telling and more. Thursday 1st June, 10am-3pm, Benodet Park, Torpoint. For more info, contact Ian: 07731 795160.

Maker Family Fun Day

Sunday 21st May, 12:30pm-5:30pm. Live music, crafts, activities and displays. 'Wild About Plymouth' will also be there with fun natural history inspired activities, or you can learn to crochet with the Museum's Traditional Craft Group. All ages welcome. Food and refreshments will be available.

Class News

Class Lynher - Yesterday we did sports day practise and used our maths for this. We had to get the answer to the question 'which race did you improve on the most'? This morning, we have voted on the show stopper cake and this afternoon are using our maths again by counting up the votes for the cakes to see who the winners are. By Ellie & Jake

Class Tamar - Yesterday we did a scavenger hunt with the whole school to discover what our new topic is. It was good fun. On Monday, we made string telephones to see if we could hear each other. By Jessica & Jorden

Class Cremyll - We have been discussing what the word 'explore' means and have designed some transport to help us explore different places such as a vehicle to travel up volcanoes! We have also been practising relay races. By Coa & Lilah
Class Plym - We designed our own totem poles and have started making a giant one in the hall. We have learnt to add two groups together and write number sentences. By Charlie & Thomas

Head lice

Once again, there has been a recurrence of head lice in school. Please check your child regularly and treat accordingly. Thank you.

Sports Day, Friday 26th May, 1pm

Please can the cups won at last years Sports Day be returned. **We need volunteers to help run the refreshment tent.** If you can help, give your name to the office. Yummy cakes are also required please. Thank you!

Bikes Needed

In the Autumn term we are starting 'Balanceability' in Foundation and KS1, which teaches the balance and the skills required to ride a bike. The school have purchased some balance bikes but we would appreciate any pedal bikes that have been outgrown and are suitable for 5-6 year olds, so we can make the natural progression onto pedal bikes once the basics have been mastered! Thank you.
