Class News

Class Lynher - We did circuits in PE and had to complete each one for one minute. We are learning all about the different parts of the human body and this week we learnt about the circulatory system. We have started a new class book called Brown Girl Dreaming and in English we did synonyms and antonyms and the active and passive voice. By Maisy & Ruby-Skye

Class Tamar - We have started to learn about the digestive system. We cut out all the organs and stuck them onto a picture of the human body. We watched an amazing cartoon called 'The Magic School Bus' - the school bus was magic and transported the children inside someone's digestive system! We have been thinking about goals - New Year's resolutions as short term goals, but also our longer term aspirations. In PE we have been learning the rules for netball and practising our chest passes. We have also started learning a new song for Songfest and baked our bread that we designed last term! By Elsie & Maizie

Class Cremyll - In English we pretended to be Henry, the character from our new book The Incredible Book Eating Boy and answered questions about him. In science we wrote riddles to describe different materials and in music we have been learning how to play the recorder. By Max, Jess & Jock
Class Plym - We have drawn pictures of ourselves and written down things that we like to do. We have been helping Mr Frog order the lily pads from 0-20 and the year 1's have been learning to play the recorder! By William

Thank You
