

Fourlanesend 6 – 0 Upton Cross

We travelled for what seemed like weeks, lost in the wilds of deep, dark Cornwall; Nick was relentless in retelling his stories with such enthusiasm, I didn't like to tell him the kids were starting to fall into semi consciousness. Eventually we made it.

The pitch was not of Fourlanesend quality but the moles had been kind and built a lovely platform for Nick to survey the match and lift him to the heights of Mr Wilde's right bicep. Anyway.....

The guys were straight at it, Zach in the middle of the field breaking up opposition play with ferocious tackles. Jan, graceful on the ball, precise with his clever passing. Alissa and Daisy sharing the right wing, bringing a unique finesse to the team. Mani was hard working as usual with a couple of nifty runs.

Goal specialist, Oli T battled continuously getting his usual rewards.

James and then Ollie W had little to do in goal but maintained impressive concentration.

All our super subs were amazing as usual, Harrisson, Tirian and goal scoring Corin.

MOM – Jack "Beanie" W, composed and creative performance.

With our 100% record, we expect record crowds and increased media attention for our next match at home on the 2nd of May to old rivals, St.Germans. See you there.
