

Cultural capital

Children see variation in the land around them, both urban and rural. Children can use maps, atlases and digital maps. Children are exposed to possible careers in the environment and agriculture.

Skills

Draw sketch maps with a key.

Use atlases, maps and digital maps.

Offer explanations for some features seen in fieldwork.

Give views and judgements.

Forever Facts

Can describe land use in rural and urban areas

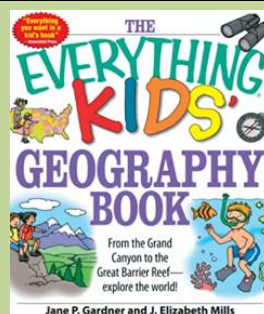

Know that different types of agriculture use land differently.

Can describe human and physical features of the environment.

What I have learnt before:

Biomes and the rainforest and what is it like in Whitby? Local area and different countries of the UK.

Exciting Books

Our Endpoint

Create a sketch map with a

Subject Specific Vocabulary
