14th January 2022

Message from Head teacher: We've had no more cases of Covid at school since Tuesday. Please can you all be vigilant over the weekend and test before school on Monday. Please rest assured the staff are doing the same and have all been advised to test daily as we've had cases in school.

Music Lessons in School

Joanna Ballard teaches piano, violin and cello every Thursday morning in school. To sign up to lessons, please go to www.cornwallmusicstrust.org/ sign up. You can also phone Joanna on 07432 640162. If you need instruments, they can be hired for a small fee and can sometimes be leased free of charge.

Gavin Wilson teaches guitar lessons every Friday morning. He is accredited by RSL Awards - an awarding body for contemporary arts qualifications in Graded Music, Performance Arts Awards and Vocational Qualifications. You can contact Gavin on mgplymouth@gmail.com or via his Facebook page - My Guitar Lessons Plymouth.

BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND 7.45am-8.45am 3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.

Places **MUST** be booked at least 24hrs in advance.

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be reported to NHS Test and Trace.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Term Dates

If anyone is planning ahead for next year, the term dates for 2022/23 are on our website.

Spare Clothing

If anyone has any outgrown pants, socks or school uniform skirts and trousers of any size, please could we have them to keep as spares in school. Thank you.

Class News

Class Lynher - In art we have been designing a flower which we will be making out of wire and tissue paper. We played tag games in PE and also made our own assault courses. We have done a distant write about the person who invented Lego and have learnt more about the circulatory system. By Megan & Tayla

Class Tamar - We have been learning about settlements in geography and working on our Wish song in music. We have also started to learn another song. We have been drawing front doors in art and had to make a pattern using diagonal, vertical or horizontal straight lines. Next week, we will be painting them using different shades of a secondary colour. We played tag games in PE and learnt the French words for different fruits. By Charlie & Rosie

Class Cremyll - We have been learning about different materials and what they are used for. In PE, we played some Space themed games, practised our dribbling for basketball and also did gymnastics. We have written letters to Henry from our book pretending we were in charge of the library! By Reggie, Alma, Maya & Jess

Class Plym - We gave precise instructions to build a Mr Potato man because if we added his glasses before his eyes, he wouldn't look right! In PE, we learnt how to carry benches and mats safely. We have been learning how to count by counting on and using a number line to help us. By Phoenix & Sidney

School Dinner Menu

Unfortunately, there continues to be some supply/delivery issues resulting in some last minute changes to the menu on occasion.
