13th January 2017

**Message from Head teacher:** Please see our launch of our new whole school topic 'Why do we live on earth?' on our school website. It was a hugely enjoyable start to the new year. We were thrilled with all your lovely comments about our production of Alice. We have a display in the school lobby and we would appreciate it if you could help us complete it by taking a speech bubble slip and recording your feedback of our production to be added to the display. Please hand into the office when complete.

## Dates For Your Diary

**Thursday 19th January** - School Census Day. Special school dinner menu

**Friday 10th February** - 2:20pm Online Safety Meeting. All parents/carers are invited to attend.

**Monday 13th February - Friday 17th February** - Half term.

**Monday 20th February** - Back to school.

**Friday 31st March** - End of term.

**Monday 3rd April - Tuesday 17th April** - Easter Holidays.

**Tuesday 18th April** - First day of term.

**Thursday 20th April** - Class photos

## BBC One Eat Well For Less?

The show follows Masterchef's Gregg Wallace & award winning greengrocer Chris Bavin on a mission to prove that it is possible for families to save money on their food budget without scrimping on taste and nutrition. The programme is back on the hunt for households looking to save money on their food shop. Email: [eatwell@rdftv.com](mailto:eatwell@rdftv.com) or call: 0117 970 7635 to apply.

## Freya - A Viking Saga

Angel Heart and Rattlebox Theatre production. A family show for all ages at Millbrook Village Hall, Saturday 21st January at 4pm. Tickets £6 adult, £4 child/concession, family of 4 - £20. Tickets via 01726 879500/[www.carntocove.co.uk](http://www.carntocove.co.uk) or Millbrook News.

## Birthdays Next Week

## Coa & Daria

### AFTER SCHOOL CLUB AT FUNKY MONKEYS

Please contact Sue on the following to book a place for your child :  
Tel: 822287/823859 or  
Email: [sue@wringford.co.uk](mailto:sue@wringford.co.uk)

### Head lice

There has been a recurrence of head lice in school. Please check your child and treat accordingly. Thank you.

### Slapped Cheek

We have had a case of Slapped Cheek in school. It is a viral illness with initial 'flu-like' symptoms and then the bright red 'slapped cheeks' rash appears, followed by a reddish rash on the body. This rash may last for up to three weeks. It is invariably a mild illness. By the time the 'slapped cheeks' rash appears, most people are no longer infectious.

### Volunteering At The Rame Centre

If you are interested in volunteering to help the centre stay open for longer hours you can drop in and say hello or there is a meeting for new and existing volunteers on Tuesday 31st January at 3pm in the centre.

### Class Cremyll Teacher

We warmly welcome Mrs Lowden to class Cremyll while Mrs Illingworth is taking compassionate leave. Mrs Lowden is a very experienced teacher and has fitted in very well - we appreciate having her on board.

## Class News

**Class Lynher** - In English we have been writing and listening to rap music and then wrote our own raps using what we'd learnt. Mr Robinson has been teaching us how to play basketball. In Science, we learnt about friction and made brakes for the tricycles. By Harry & Molly

**Class Tamar** - We have been learning about Neil Armstrong and how brave he was. We have started learning about basketball in PE. Today, we all got a notebook each to write down words that we don't know the meaning of. We can then ask our parents or a teacher what they mean and then use these words in our work. By Essie, Ronnie & Mani

**Class Cremyll** - We have been learning all about chocolate, finding out how it grows and all the processes it goes through. We have been learning more about space, expanding on our display. We each have an astronaut with our face in, have made our own moons and little aliens. In maths we have been doing repeating patterns and shapes. By Lilah & Reece

**Class Plym** - This week we have been learning all about how chocolate is made. We also learnt about Neil Armstrong, we made our own moon and discovered why the moon has craters. By Casey-Jo & Finnlay

### School Emergency Closure

If we need to close the school due to bad weather you will find it displayed on the front page of our website by 8am. If you don't see anything on there, please assume we are open. If we need to close within the school day we will send you a text.
