Class News

Class Lynher - Year 6 took part in a life saving skills lesson at Saltash Leisure Centre yesterday which was very good. We have been playing rounders in PE and in history we have been learning about the city of Baghdad in 900AD. By Erin & Corin

Class Tamar - In PHSE we have made posters about children's rights. In French, we are learning how to tell the time and in science we are learning about electricity. We made our own circuits and problem solved the reasons why the bulb might not light up. In PE we have been practising skills that will help us with playing cricket. By Aidan

Class Cremyll - This week we have started to explore telling the time - o'clock and half past. We have also been writing non-chronological reports for the Natural History Museum - researching about the different exhibits like Dippy the diplodocus. We also started developing our typing skills in computing. By Jock & Bobby

Class Plym - We have been looking at root vegetables and then we tried potato salad, coleslaw and carrot & raisin salad. We have started playing tennis in PE and balanced bean bags on our racquets. In geography, we have been learning about Africa and specifically Kenya. It is very hot in Kenya as it is near the equator. We have enjoyed celebrating the Jubilee and wearing our red, white and blue clothes. By Kira, Thomas & Michael

ParentPay

Please can you check and clear any overdrawn dinner money accounts. All school trips are to be paid for using ParentPay as well. We can only accept cash/cheque for uniform.

Mobile phone needed

Does anybody have an old mobile phone that is 4G and reset to factory settings that they no longer need? If you wouldn't mind donating it to school, we would be very grateful.
