Whole School Homework

Another fantastic response for homework this week we are very impressed. Unfortunately we didn't have 100% in any class. Homework not completed per class:

Class Lynher 2 children

Class Tamar 4 children

Class Cremyll 4 children

Class Plym 8 children. If you have a problem with the homework please let us know before the deadline so we can support your children in school. A whole week is given to complete it. Class Tamar went to look at Class Plym's homework, we were really impressed with all the interesting aliens, especially Billy's and Jack's. They talked about their aliens in lovely detail. Class Plym were impressed with Jan's alien created and programed in scratch. It was very unique. Class Lynher went with Class Cremyll and people who shone out were Lilah, Elyse, Brodie and Megan.

Class News

Class Lynher - We have been practising our catching and hand/eye coordination in PE. In Science, we learnt about all the different planets and how far away they are from the sun. In DT we are going to be creating and cooking a healthy meal for an astronaut. We also learnt how to play the notes D & E on the trumpet. By Harry & Stan

Class Tamar - We have been doing gymnastics in PE and listening to audio books that create a spooky atmosphere and working out how the atmosphere is created. We are going to use what we have learnt to make our own audio books. By James & Alice

Class Cremyll - We have been enjoying Word Mania. We made rakhi bracelets yesterday in RE, learning about Hinduism and celebrating siblings. You give the bracelets to your brothers to keep them safe. We did dancing in PE. By Ollie & Brodie

Class Plym - We have made a big astronaut in our classroom and played Word Mania with Class Cremyll. We have also been learning about time. We have enjoyed sharing our homework with other classes. By Billy & Chloe
