17th June 2022

Message from Head teacher: Again, please check the dates for your diary carefully as we have so much going on in the next few weeks. Letters will be sent out for visits, they are given to every child, please check your child's bag and read them carefully. This saves last minute panic. Please make sure your child has a hat and has applied sun cream before school. Thankfully there is usually a breeze on the school field so it doesn't get too hot - even today! Have a lovely weekend.

Class News

Class Lynher - We enjoyed our trip to Truro on the train on Wednesday. It was interesting to learn all about the history of the cathedral during our workshop and then we went to the Royal Cornwall Museum. We are making egg fried rice in DT today and also played rounders in PE. By Corin, Rory & Mia

Class Tamar - In PE we have been practising our cricket skills and in English we have been learning expanded noun phrases and putting them into sentences. We have been learning to tell the time and also enjoyed our session with Mark's Ark on Tuesday. By Oscar & Eva

Class Cremyll - We have been learning to tell the time and have even been reading time in 5 minute intervals. In English, we started our new story The Pirates Next Door and we've been finding the rhyming words. In DT we made coleslaw and tried some different vegetables. By Archie & Reggie

Class Plym - We had a visitor on Tuesday who brought animals into school. Some of the animals we were able to stroke and hold were a snake, barn owl, scorpion & lizard. In PE we have been working on our team work and communicating by talking and also using non-verbal ways. We have been practising our tennis skills and in geography, we designed our own national parks which included a key to show the different parts. By Alfie, Molly & Harriet

School Disco

A big thank you to FOFLES for organising last week's disco and for everyone who volunteered to help. It sounds like all the children had a wonderful time and the amount raised was just over £250!
