

Tamar Spring Term 1  
2024

Art How can we use collage  
to create a composition.

We looked at a picture of 'Ulysses and the Sirens'. We looked at the composition, some of the different parts that make the picture.

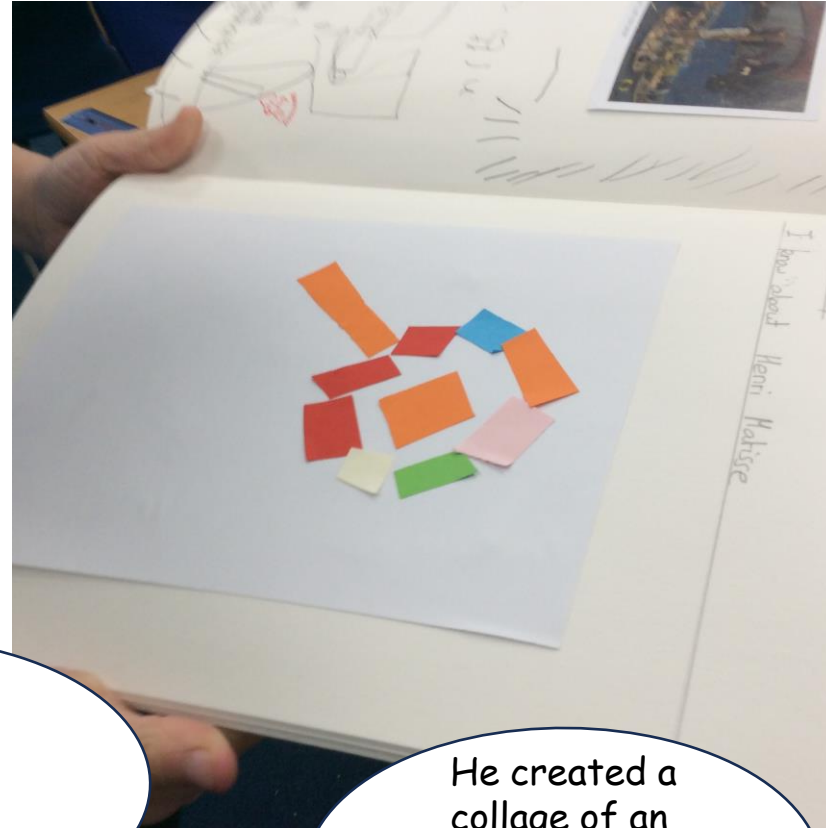

I looked at one of the oars for the long and straight part.

On the side of the boat was an eye

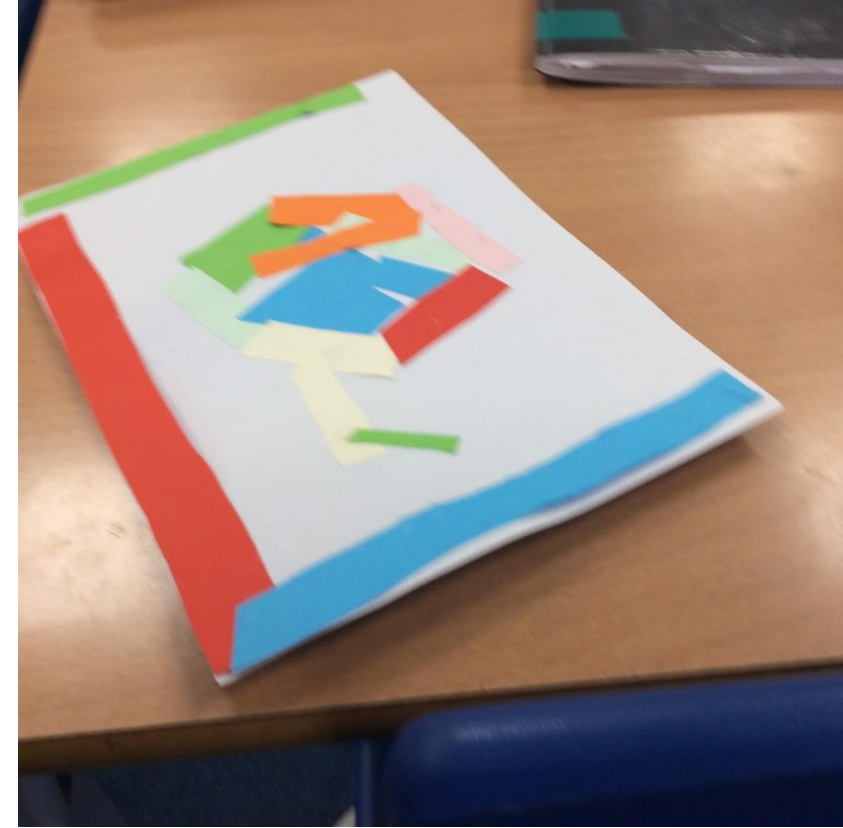

When he was old he had cancer and he had to stay in a wheel chair.

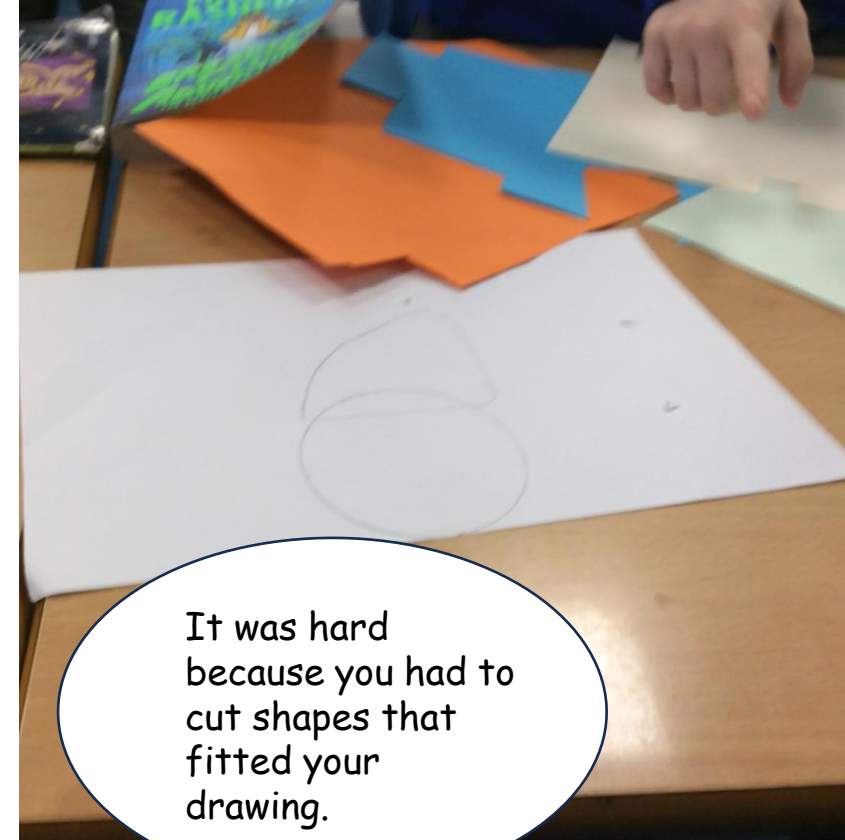

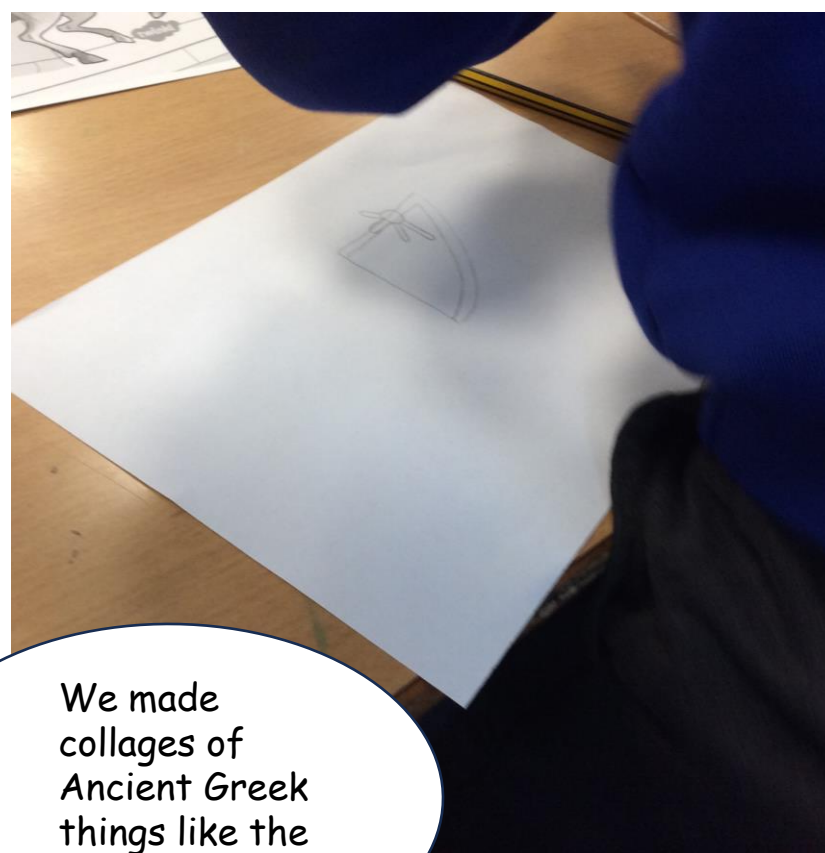

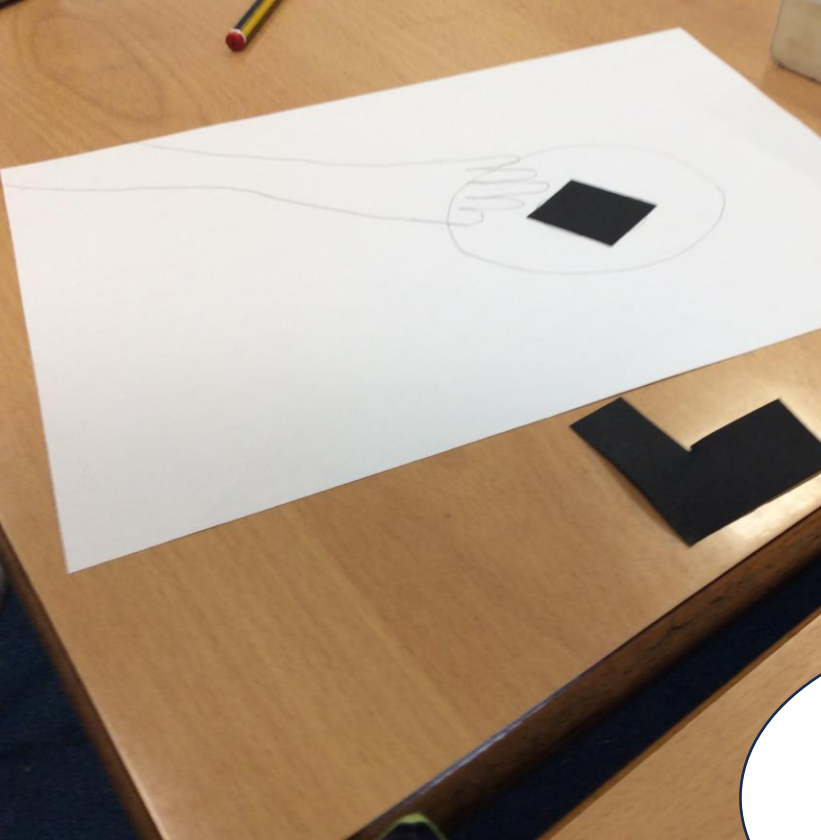

He created a collage of an entire swimming pool in blue and white.

We found out about Henri Matisse being an artist and famous for his collages.

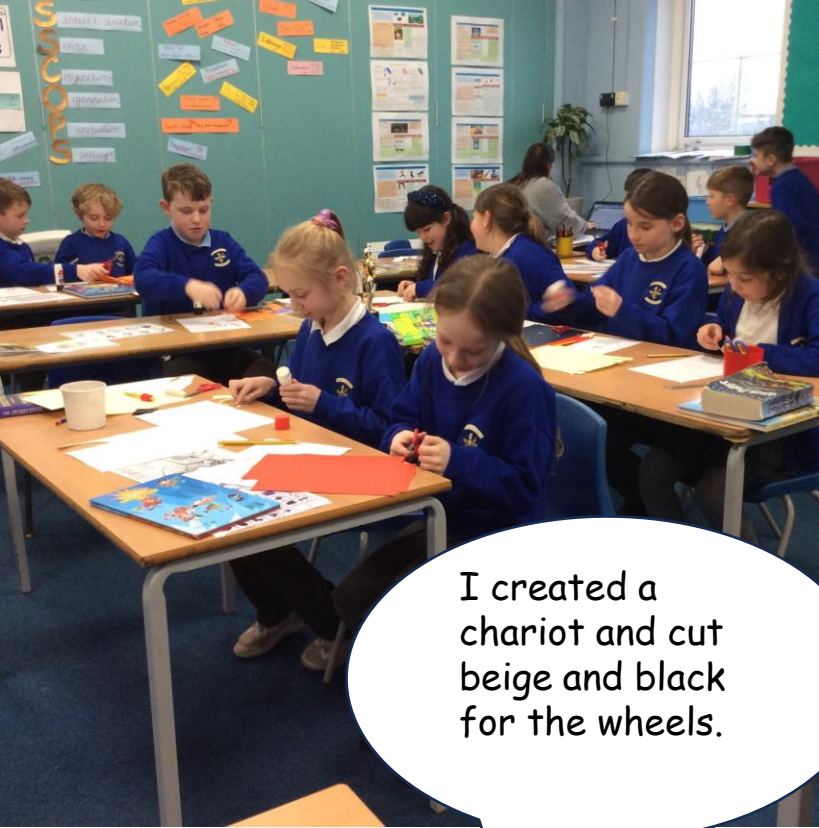

I made my shell from different types of green paper using scissors.

We made collages of Ancient Greek things like the Olympics, Gods and Goddesses.

It was hard because you had to cut shapes that fitted your drawing.

We first chose pictures that showed the Ancient Greeks. We then sketched out an outline for our collage.

I created a chariot and cut beige and black for the wheels.

I made a collage of Hera, the queen of the gods.

We used collage to create a composition based on our chosen area about the Ancient Greeks.

## Art FLE 3/4 How can we use collage to create a composition?

### Personal development

Appreciate art and collage and that opinions and view points may vary.  
Possible job opportunities in design, art and creative industries.

### Skills

To record in sketch books.

To use cutting and sticking to create a collage.

To experiment, being aware of different kinds of art.

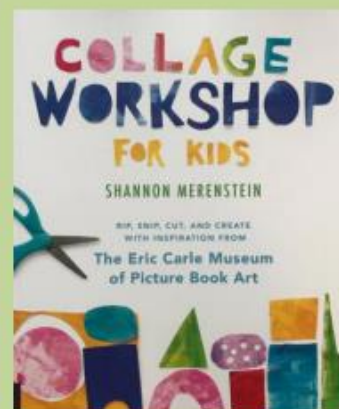

### Forever Facts

Collage is a form of art where pictures are created by cutting out paper, photographs or other materials.

That artists use sketch books to record ideas.

**What I have learnt before:**  
**Henri Matisse (Yr3), tessellation.**

### Exciting Books

### Our Endpoint

I can create a collage representing an aspect of Ancient Greek life.

### Subject Specific Vocabulary

Collage	A picture that has been created by sticking paper, photographs or other materials together.
Composition	The arrangements of different parts of a picture.
Sketch Book	A book where artists record sketches and ideas.
