Class News

Class Lynher - In PE we started tennis and were learning to keep control of the ball. In DT we learnt about seasonal food and then we tasted a couple of different foods and talked about the texture and taste of the food. We have started doing the story of Holes in English and we described the setting going from what it used to be to what it is now. By Casey-Jo

Class Tamar - On Monday we enjoyed working together with class Lynher, making new health and safety posters to put up around the school. In science, we have started to learn about states of matter, looking at liquids, solids and gases. In PSHE, we talked about genetics and how we inherit certain physical characteristics and personality traits from our parents, but how our siblings can be very different as they might inherit slightly different genetics. In geography, we examined what we already know about Europe, specifically the Mediterranean as a holiday destination. By Elsie and Bobby

Class Cremyll - We have been playing tennis in PE and also practising our throwing and catching. In DT, we have been designing bunting and in music, we have learnt a song about football. We are really looking forward to our Beach Tribe day today. By Harriet & Jack

Class Plym - We made nature caterpillars with sticks and threaded on leaves. We have been learning about doubles and have played lots of doubles games - the song is so funny. In PE, we've been learning how to jump so we can jump over giant puddles in winter. By Mali, Lola & Sully

Year 6 Uniform

If you need to replace any uniform/shoes for children in year 6, please buy what will be needed for their secondary school from now on.
