13th December 2019

**Message from Head teacher:** Thank you all for all your support this week, the performances were amazing, we were so proud of the children, they showed such confidence. We have lots of fun activities planned for next week, it is week 8 in this half term (too long) and we appreciate that the children are tired. Please note, all cards and decorations coming home with glitter etc are all from the stock we already had in school, we are not purchasing anymore glitter (single use plastic). Wishing you all a Merry Christmas and a Happy New Year.

### Class News

**Class Lynher** - We loved our performances this week and had lots of positive comments! Brodie brought in sweets for us all to celebrate. We have been playing Countdown and practising our carol singing for this afternoon. By Brodie & Joe

**Class Tamar** - We have been investigating reflection and why Rudolph's nose is reflective. In art, we have started to sketch self portraits in the style of Sonia Boyce or Lucian Freud. We thoroughly enjoyed our performances this week and we had a dance lesson in PE with a new coach from Saints Southwest. By Lara, Aimee-Grace & Tirian

**Class Cremyll** - This week we have been very busy. As well as performing our plays we have been learning all about Diwali in RE. We made Dywa lamps and candles and created Rangoli patterns in celebration of the Hindu festival of light. In history, we have been learning all about different foods and how they have changed over the last 100 years. We planned our own picnic, choosing food available in 1900, 1950 and 2019. By Imogen & Poppy

**Class Plym** - We have been making winter cards and sparkly snowflakes. We also made Dywa lamps and lanterns to finish off our RE. By Elsie & James

### Scarlet Fever

It has come to our attention that there have been some cases of scarlet fever in the local area. We haven't had any cases in school but please be vigilant. The first signs of scarlet fever can be flu-like symptoms, including a high temperature of 38C or above, a sore throat and swollen neck glands. A sandpaper rash appears a few days later and possibly a white coating on the tongue.
