**Message from Head teacher:** Summer has finally arrived, so please make sure your child has a hat, water bottle and is wearing sun cream. Our Y5/6 residential near Par was hugely successful and they all enjoyed a wonderful experience - the good weather helped, lets hope it holds up for Class Tamar when they stay at Camp Kernow near Truro in the last week of term. ### Class News

**Class Lynher** - This week we had a great time on our residential. We went to Carnglaze Caverns and explored the caves. On Wednesday we went to The Lost Gardens of Heligan and did some planting. There were some cute pigs there! At Chicks, we went trampolining, played golf football, basketball and giant Jenga amongst other things. This morning, we wrote haiku poems about animals or spirituality. By Sky & Grace

**Class Tamar** - We played tennis and French cricket in PE. We have been learning all about the Romans including the invasion, Roman roads, and Hadrian's Wall. We have also continued learning about electricity. By Ollie, Lauren & Megan

**Class Cremyll** - We have spent two days outside on the field, working with Class Plym. Each group were given a characteristic and had to create a character based on that characteristic. We then made the character out of clay and natural resources. The next day, we made dens and then had to make an animal out of clay to live in the den. Yesterday, we were looking at food groups and what proportion of each type of food creates a healthy plate. By Isla Pearl & Morgan

**Class Plym** - This week we have been enjoying the sun and exploring during Wild Tribe. We created our own character and made them out of clay. We created shelters for our characters and toasted marshmallows over our fire pit. We have been continuing to learn and practise our different movement skills in PE. By Joe & Logan

### Camp Kernow Parent Meeting

There is a parent meeting next Friday (5th July), at 2.30pm to discuss Class Tamar's residential to Camp Kernow.
