Class Argyll — we have been doing newspaper reports and have now found out that we don't need as many quotes... we need to add more information. In maths we have been doing division work problems and year 6 have been converting remainders to decimals and fractions. In PE we have been doing gymnastics.

Class Lynher — we looked at how people remember special occasions in different ways and presented our findings to the rest of the class. In maths we have been learning about fractions and decimals. In PE we started tag rugby, which is fun.

Class Plym — **Foundation & Yr1:** we have learnt lots this week! We learnt about our Queen's coronations and made our own crowns with jewels on. Then we learnt all about Diwali and made our very own Rangoli patterns with rice and candles. We learnt all about the story of Diwali and why/how it is celebrated. In PE we acted out the story of Rama and Sita and pretended we were saving Sita from evil!
