1st November 2019

Message from Head teacher: Maker and Rame Parish Council have asked that we remind you about parking mindfully at the beginning and the end of the school day as they have grave concerns about how dangerous it is. In return I have asked if they could please pass on concerns that have been raised by our staff and parents about members of the community driving past the school at busy times at excessive speeds as it poses risks to our families.

Lunchtime Assistant Vacancy

We have someone who is able to work two days a week but we still need someone else to cover the other days. Teachers are currently covering at lunchtime which is impacting on their time to mark books! If you are interested in this position, or know anyone else who is, please ask at the office.

Message from Chartwells

The Taste the World workshops (KS2) were a great success with all 3 groups enjoying making their wraps and then eating them. They all tried something different in their wraps using the specially made dressings. Even some adventurous souls using all 3 in one wrap!

School Council News

To raise money for Children in Need we are asking everyone to come to school wearing sports clothes, for a donation and we will be doing a Joe Wicks exercise routine. We will also be holding a bring and buy sale.

Class News

Class Lynher - Today we have given feedback to Class Cremyll on their DT faces and they gave us feedback for our marble runs, which we are finishing this afternoon. We did our History write up about the impact the Anglo Saxons had on Britain. We played football in PE and warm up exercises. By Elyse & Alanna

Class Tamar - We played football in PE learning how to dribble and practising controlled passing. In science we have begun an experiment to see how a stem transports water to the leaves and how different temperatures affect this process. Yesterday, a lady from Chartwells came in and discussed the origins of different vegetables with us and we made some delicious wraps. By Lara, Coa & Tayla

Class Cremyll - In DT we have been making our own faces using different fabric and materials. We are helping to peer assess Class Lynher's marble runs and we designed posters to highlight safety rules for bonfire night. In PE we played a fun game involving obstacles and kicking skills. By Lydia & Aidan

Class Plym - This week we have been reading 'Room on the Broom' and creating our own magical potions. We have been exploring materials and decorating pictures of our faces with different materials. By Henri & Elsie

Guitar Lessons

There are spaces available for guitar lessons with teacher Gavin Wilson, every Friday. If you would like your child to learn guitar, please let the office know. Lessons are taught in pairs and are £10 each, for half an hour. Children in receipt of free school meals are entitled to a 50% discount. To help with costs, lessons can be taught every two weeks, instead of weekly, if you would prefer. To find out more about Gavin, please visit his Facebook page - My Guitar Lessons Plymouth or email him: gav0409@hotmail.co.uk.

School Starts at 8.55am

A reminder to everyone that the school day starts at 8.55am. Some children are regularly missing Wake and Shake which is an important part of the school day.
