10th March 2017

**Message from Head teacher:** Today we held a security drill. The school was evacuated and registered in 2 minutes 20 seconds—our best time yet! It was explained to the children that a security drill is anything other than a fire. For the security drill we meet in the car park and would then evacuate to Kingsand Community hall. In the event of a security alert we will follow the instructions given to us by the police. If this includes evacuation, a text will be sent to you all automatically—we have it pre-written, ready to be sent. We also take our contacts information with us.

## Class News

**Class Lynher** - We have been writing our own chapters about a chosen character from the book we have been reading - 'The Family from One End Street'. We have played hockey with Mr Robinson and played some matches. We have all finished our stamp designs for the Royal Mail competition. This afternoon, we are going to learn a new song for our Easter Celebration. By Ellie & Mina

**Class Tamar** - We are going to Sir John Hunt Community College this afternoon to race our rocket cars against teams from other schools. We are really looking forward to it. We have just started reading 'Christophe's Story' which is very thought provoking. By Riley & Callum

**Class Cremyll** - We have been writing stories about 'The Princess and the Pea' and have made friendship bracelets in RE. We have also been working with numicon looking at place value. By Lilah & Vincent

**Class Plym** - A massive beanstalk has magically appeared in our classroom. We think some of Cooper's beans must have fallen out of his pocket on World Book Day! We have been measuring how tall it is and writing about how we think it came to be in Class Plym. We have also been making Cornish flags and thinking about what is special to Cornwall, like mining.
