

SUMMER 1 - JIGSAW - PSHE

Relationships

It was lovely to discuss how many of our families are different! We didn't all have mummy's and daddy's and some of us even live with our grandparents.

WHO IS IN MY FAMILY?

We talked about who is in our families and who lives in our houses with us - we all included our pets too! Woof woof!

In my house I have mummy, daddy and my baby brother Thomas but I also have a sister called Skye. Mummy also has a baby in her tummy.

In my family I have my daddy, mummy and brother Josh. I have two tortoises too, Tina and Rosie.

WHAT DO I WANT TO BE WHEN I AM GROWN UP?

We had some very thoughtful ideas such as a builder to build houses for people, scientists to bring dinosaurs and Pokemon back to life and a doctor to save people.

HOW TO BE A GOOD FRIEND

Our buddy is called
Moose

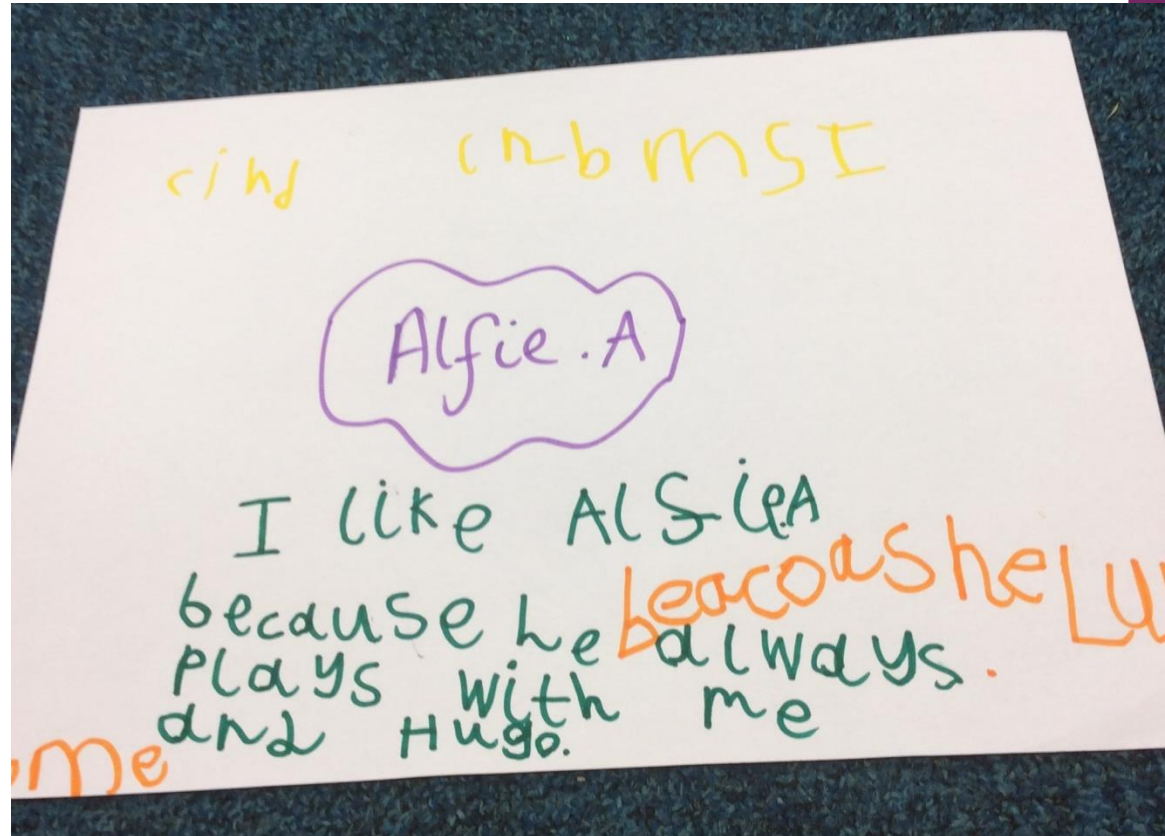

We worked as a team
to cut out and create
our own buddies.

WHAT CAN WE DO TO BE A GOOD FRIEND?

Tell someone that you like them.	Reach things for people if they can't reach them.
Ask or offer to play with someone	Listen to people.
Help someone up a slide.	Share with people.
Look after someone when they fall over and take them to a teacher.	Cuddle them when the virus goes away.
Greet someone and say hello or ask how they are.	Help someone when something is heavy.

WHAT DO WE LIKE ABOUT OUR FRIENDS?

WE TALKED ABOUT UNKIND PHRASES AND KINDER PHRASES THAT WE COULD SAY INSTEAD!

Unkind phrases	Kinder phrases
Go away	You are brilliant
I don't like you	Thank you very much
You are stupid	I like you
You smell	You are clever

Before I say this,
this isn't true
but 'I don't like
you'

We role played saying unkind things to people and then what we could have said instead. We were very thoughtful to each others' feelings.
