

Antony 1 - Fourlanesend 8 ..... EIGHT!

Well; there was a lot of pre-match speculation about this one. Experts from across the Rame Peninsula had voiced their thoughts on how the match would pan out.

A blistering start from our squad of all stars led to an early goal from Ollie, warming the hearts of the travelling fans. The Antonians responded with a rapid attack; I'm not too sure how it happened but there was an amazing knee shot from Alissa that looped over our defence, breaths were held, James jumped and stretched, the ball hit the cross bar then spectacularly bounced over the hedge, never to be seen again!

Jack, Ollie and Jan all tried different positions, they linked up well and banged in goals for fun, Jack scoring a screamer from a tight angle. Zach and Mani worked super hard in defence, playing with confidence and swagger. James was so amazing in goal he only had to use his hands once, stopping an Antony rocket. Alissa had a touch of quality.

Ruby in her last game for FLE was fantastic on the left wing, dribbling past player after player getting a few long-distance shots in; Brae as usual gave a masterclass in the middle of the park, controlling the game with his easy style; Noah on the right had his best game in this campaign; these three will be missed by the whole team, we wish them great things in their future.

It's been a pleasure for Nick, myself and Andy to help you lot develop your footy talent and we look forward to next season.
