12th November 2021

Message from Head teacher Please see below for details on our Christmas Performances. We are planning on opening the performances to parents, however tickets will be restricted; seating will be spaced out; the hall will be ventilated; we will require everyone to wear a mask inside and ask that lateral flow tests are taken on the day prior to the performance. Please also note that our last day is Friday 17th December and we close at 2pm.

Dates For Your Diary

Fri 19th Nov - Children in Need (wear something you feel comfortable in).

Fri 19th Nov - Class Cremyll with Rame Arts @ Maker (AM).

Fri 26th Nov - Class Cremyll with Rame Arts @ Maker (AM).

Tues 7th Dec - Christmas Performance during the school day.

Thurs 9th Dec - Christmas Performance during the school day.

Fri 10th Dec - Christmas Jumper Day.

Sat 11th Dec - Singing at Mt Edgcumbe Christmas Fair.

Thurs 16th Dec - Christmas Dinner.

Fri 17th Dec - Party day & last day of term, 2pm finish.

Tues 4th Jan - Back to school.

Dyslexia Screening

As a school we are working to ensure we understand each and every child and how best to support them. Over the next few weeks each child will be undertaking an early screening for dyslexia. This will help us to understand who may need additional support and resources, as well as giving more of an insight into each child as a learner. It will be delivered through an online app using simple, visual games.

Art Club

Due to Art Club being very popular, children will only be able to attend for one session so that as many children as possible can have a chance. We have been told there is an exciting plan of action for the children each week! Look out for a slip informing you which session your child can attend.

BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND 7.45am-8.45am 3:15pm-5:30pm

For more information and to book a place for your child, please contact the office.

Places **MUST** be booked at least 24hrs in advance.

Nut Free Packed Lunches

Due to some allergies in school, please can you ensure that packed lunches being sent into school are nut free.

Children in Need - Friday 19th November

This year, we will be having a well-being day and will be doing mindfulness activities and exercise. **We are asking all children to come to school in clothes they feel comfortable in**, in return for a donation.

Dinner Menu Change - Wednesday 17th November

Due to an issue with deliveries the roast dinner on Wednesday next week will be roast chicken instead of gammon.

Nasal Flu Immunisation

For any pupils who missed their nasal flu spray on Wednesday, there will be catch-up clinics in December but we don't know dates or venues yet.

Guitar Lessons

Gavin Wilson from My Guitar Lessons Plymouth teaches guitar lessons every Friday morning in school. Lessons are £10 for half an hour and are taught in small groups (children in receipt of free school meals receive a 50% discount). We also have two guitars available to loan if you don't have your own. If your child is interested in lessons, please let the office know.

Class News

Class Lynher - We watched a film called Origin about a robot who visited a factory. We then came up with our own ideas for a factory and had to describe them. We have been focussing on our landing in gymnastics and enjoying our cricket lessons. We walked to the War memorial on Wednesday and read our poems for Remembrance Day. By Mia & Jasmine

Class Tamar - In computing this week we learnt all about podcasts and then recorded and played back our own voices. In RE we looked at the six main images of God the Hindus worship and then drew six images that represented different aspects of ourselves. In science we have been learning about reflective surfaces and the importance of reflective material in terms of safety. By William & Tara

Class Cremyll - We went to Maker to do some art work with Rame Arts and made some sculptures out of bits and bobs. We story mapped our story 'Rosie Revere, Engineer' and also learnt about expanded noun phrases, using nouns and adjectives. In history, we learnt about Guy Fawkes and the plotters. We have also added words to our "Wow" word wall! By Reggie, Jock, Maya, Jess, Billy & Alma

Class Plym - In Wild Tribe we made wattle and daub structures using soil, clay, hay and water - we got very messy hands and clothes! We then made a 'wild thing' clay model with spiky horns. We looked at the end of the gunpowder plot and found out that they weren't successful because the gunpowder barrels were discovered by the King's men! By Hugo & Clara
