

PE Summer 2023

Cricket
Class Tamar

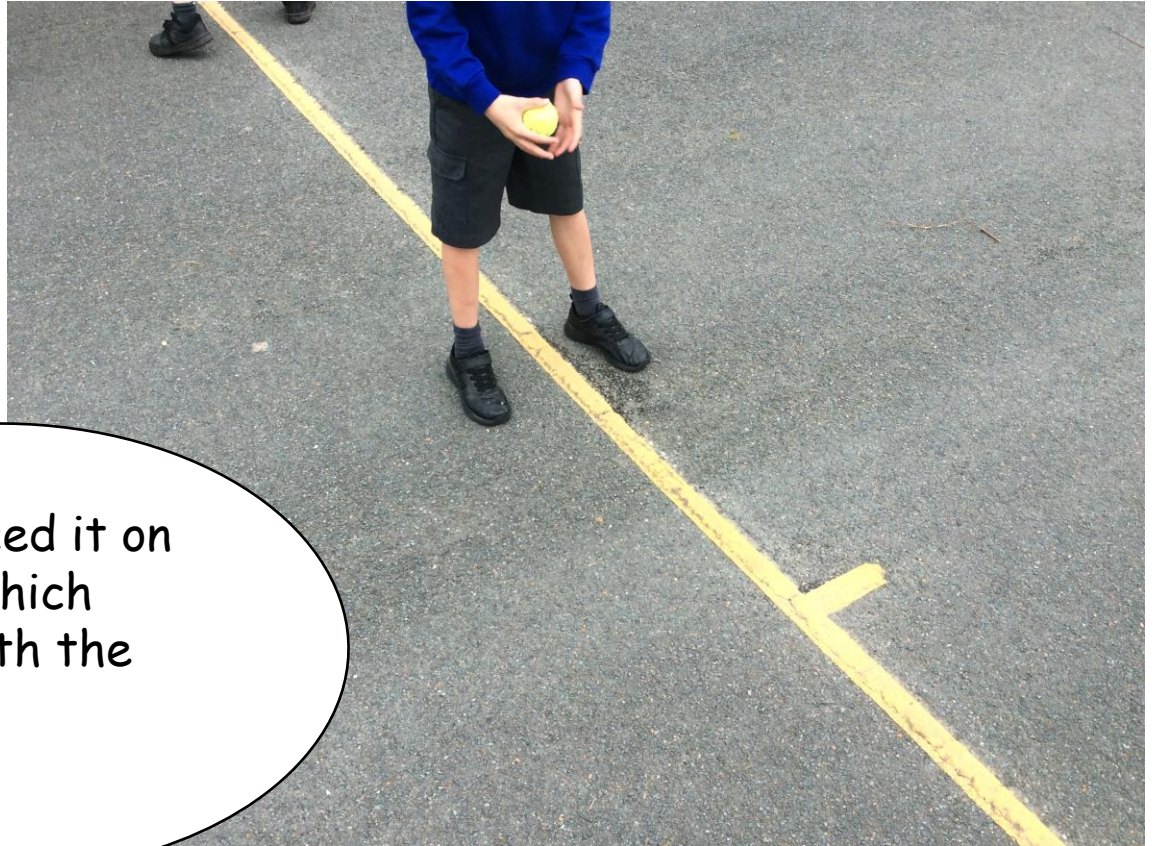

First, we refined our throwing and catching skills. We threw small balls whilst standing, then moving.

We had to throw the ball up in the air and look at it all the time otherwise you would not catch it.

We bounced it on the line which helped with the bowling.

We then threw the ball as accurately as we could to bounce on a line and then bounced it. It was quite difficult.

We learnt that the sticks were called stumps wickets and bails go on top. Stumps and bails are called wickets. We had to bowl our ball, so it only bounced once to hit the wickets.

When you bowl you have to let it bounce before the batsman can hit it.

We combined our skills in small group games, where we had to bat, bowl and field.

When you bat, you had to check that the bat did not hit the wicket otherwise you would be out.
