Fantastic Results!

We are always very proud of all our children and their achievements. At Fourlanesend we recognise that achievement is much more than results in tests etc and the most important thing is that children are happy, as this is when children will flourish. Saying that, it would be remiss of me not to share with you all the fantastic achievements of last years Y6 cohort. There are 268 primary schools in Cornwall and the children's scores ranked in the top quintile for Reading & Maths and Reading, Maths and Writing combined. Furthermore, they were 5th in County for their scores in Reading, 44th for Maths and 53rd for Grammar, Spelling and Punctuation - these are all the tests taken in Y6 SATs. We are really proud of the 17 children, their families and all the staff in school who have taught and supported them over their time here. If any of you are wondering why there is a delay in reporting this, it is because it takes time for County to collate all the data.

Change of School Dinner Menu - Thursday 19th December

Sausages/Quorn Sausages, Chips & Beans.
~
Strawberry Frozen Yoghurt or Fruit.
(Jacket Potatoes also available).

Football Club Cancelled - Thursday 5th December

We have our first match of the season, next Thursday against Antony (away). Our coaches will be at the match, therefore we need to cancel the after school club.

FoFLEs Raffle

If anyone has any prizes for the raffle, please could they be handed into the office next week. Thank you.

Class News

Class Lynher - We are going to do some tree planting this afternoon in Pigshill wood. We have painted stakes with our names on so we can return and see how our trees are growing. We have finished our football sessions in PE which we have really enjoyed. Taylor's grandmother came in and spoke to us all about their religion. By Lilah & Ruben

Class Tamar - In English we have been adding on an extra subheading to our work and also dissected a chronological report into different parts, so we could identify any parts that were missing. We have been practising for our Christmas performance and in PE we have been working on balance. We played some team challenge games to see which team could balance the most cones without falling over. By Oscar, Isla Pearl & Coa

Class Cremyll - In art we have been learning about Barbara Hepworth and the inspiration behind her sculptures which then led us to think about what could inspire us. In English, we watched a modern day animated film about Jack and the Beanstalk and then looked at an alternative Jack and the Beanstalk story, where the giants were the heroes. In PE we played an exciting game in teams of 5 where we had to complete challenges to earn objects to build the highest tower at the end of the session. By Oscar

Class Plym - We have created our own characters to replace 'stickman' in Julia Donaldson's story. I chose 'Boxman' and he wants to get back to the garbage truck. We did some Joe Wick's exercises in PE and have been practising for our nativity play. By Henri
