What is the 'good news' that Jesus
brings?

Summer 1 2022

Forgiveness, friendship and peace

Jesus' 12 disciples who he chose to help him change the world and spread the word of God.

What qualities would people need to help change the world?

When people say sorry I say 'I forgive you'.

Forgiveness is when you accept a sorry and stop feeling angry and mad.

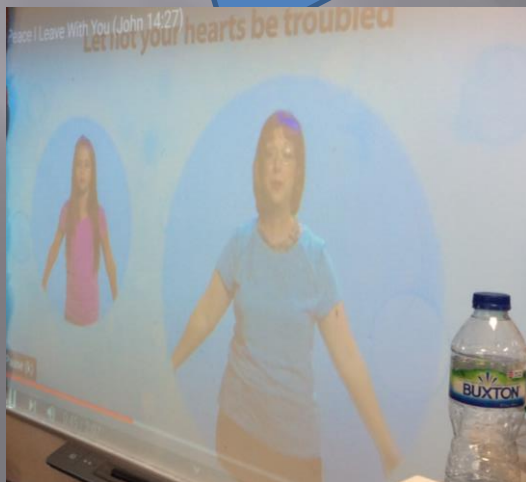

I am learning how Jesus showed 'peace' as 'good news'

What things upset your peace? The thought of being in my house by myself, when someone hurts me, eating soya because I have an allergy, the dark, if someone we love died. BUT the dark makes me feel peace with no one else around because I can get some sleep.

Jesus offered peace because Christians believe in him and don't have to worry about things anymore.

What is peace? When no one is around you, quiet, it's like sitting on a cloud and smelling strawberries. You might meditate. Everybody is calm and nobody is rude.

How do Christians in the modern day show friendship to the friendless?

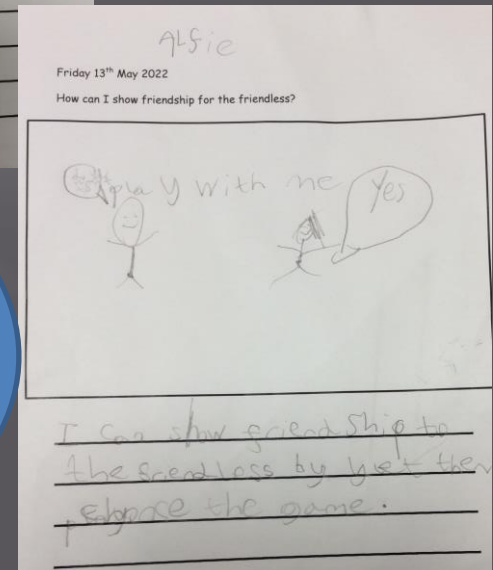

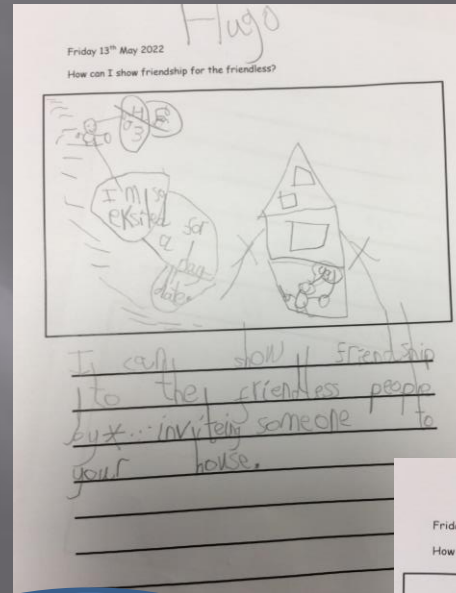

We learnt about a Christian charity, St George's Crypt where they offer beds for homeless people. We agreed this was offering friendship to the friendless.

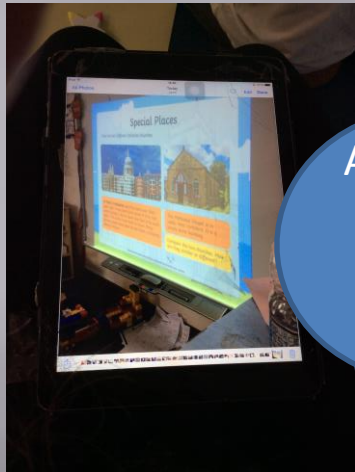

The servant wasn't very nice because the king gave him a chance but then he went and asked someone else for his money and got him arrested. That isn't being kind or being a friend.

It's like when we see someone alone on the playground and ask them if they want to play with us.

Where do Christians find peace? Where can I find peace at school?

A church is quiet like a library.

This isn't a quiet place, I can hear class Cremyll talking.

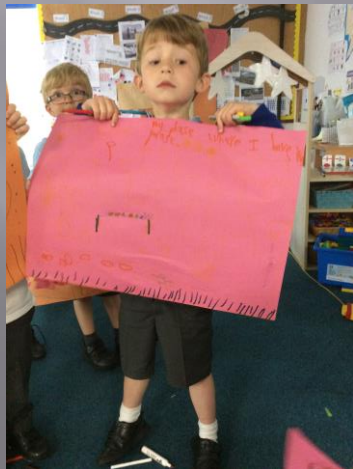

This is peaceful, I can hear the birds and the wind blowing in the trees.

Places that bring us peace.

My
peaceful
place is in
my garden.

My peaceful
place is in my
bedroom where
I can watch my
favourite show.

My peaceful
place is where
there is a tree
and a river
and my sister
is with me.

RE FLE YR 1 What is the 'good news' Christians believe Jesus brings?

What we already know:

- How and why Christian people celebrate Christmas and Easter.
