

Music - Performing

▣ Our Christmas Nativity performance!

We spent a lot of time learning the words to our Christmas play songs and even created actions to go alongside them. We had to listen to the words carefully and keep our heads up to make sure our voices projected to the back of the big hall.

We then did three performances! We performed to Key Stage two for our dress rehearsal. Then we did two performances for our parents. We really used our Confidence value and Enthusiasm for learning.
