6th May 2022

**Message from Head teacher:** Congratulations to all our children who participated in the Black Prince Celebration on Monday. We were very proud of everyone involved in the Maypole dancing and those who participated in the town crier competition. A huge thank you to Louise Fiore's mum who made our wonderful red skirts and sashes- we looked so smart! Next week is Y6 SATs week. Staff will be on the gates as usual, however access to staff through the school day will be more limited. Good luck to all our Y6s.

## Children's University

Please can you let the office know if your child still participates in the Children's University scheme. There is a new online platform, however, since Covid, we are no longer sure who is taking part. Also, if you think your child might be interested in the scheme, please contact the office.

### About Children's University:

Children's University is a national initiative. Children can go to different activities, workshops or sessions outside of school hours through the programme. For every activity they attend, they get a stamp in their passport to learning, which in turn add up to bronze, silver and gold certificates.

Children are presented with their certificate qualifications in school and once they reach a gold level, they are invited to a graduation ceremony, held annually at The University of Plymouth to celebrate their achievements.

## BREAKFAST & AFTER SCHOOL CLUB AT FOURLANESEND

### Football Club

Congratulations to Kira and Blake who were the KS1 & KS2 players of the week! Well done!

### Music Lessons

Gavin Wilson from My Guitar Lessons Plymouth teaches guitar in school on a Friday morning. For more information, ask at the office or contact Gavin at [mglplymouth@gmail.com](mailto:mglplymouth@gmail.com) or via his Facebook page.

Jo Ballard from Cornwall Music Service Trust teaches violin, cello and piano lessons on a Thursday morning. Lessons are booked online:  
[www.cornwallmusicstrust.org/signup](http://www.cornwallmusicstrust.org/signup). You can also speak to Jo on 07432640162.

**Please note, there are no lessons on Thursday 12th May as Jo is on a training course.**

### Second Hand Sundays

Second Hand Sundays are hosting regular Sunday events selling second hand clothes with the profits raised being donated to local community organisations. This month they've chosen to donate to Millbrook Skate Park. They also give people the opportunity to sell their clothes for profit. They're looking for donations of decent adult and kids clothes, as well as customers! Join them for their first event on Sunday 8th May at Millbrook Football Club, 11am-3pm. Follow them on Instagram: @2nd.handsundays.

### Class News

**Class Lynher** - We did a brilliant STEM workshop yesterday programming robots. In PE, we threw javelin and rounders balls to see which we could throw further. We are continuing to learn about the Amazing Americas in geography and also made leaflets encouraging people to visit our local area. By Phoebe, Ashton & Isla Pearl

**Class Tamar** - In PSHE, we thought about what attributes you need for different jobs and then linked those back to our school values. We enjoyed programming robots in our STEM workshop yesterday and in art, we have been learning about Michael Angelo. We drew on paper underneath the tables to experience what it was like for him when painting the Sistine Chapel. By Morgan & Imogen

**Class Cremyll** - We enjoyed playing cricket in PE and have also been thinking about signs of spring. In Art, we are making clay tiles - we put a line down the middle and decorated half with a spring theme and the other half was summer. By Max & Maya

**Class Plym** - We have learnt that the United Kingdom is made up of four countries - Scotland, England, Wales & Northern Ireland. In art, we used tools to make patterns and shapes with clay. We went outside to look for signs of spring and also played cricket in PE. By Molly, Alfie & Layton

### Fully Funded Teaching Assistant Courses

We have been sent information from The AIM Group who have secured Diploma level three funding using the gov.uk Lifetime Skills Guarantee for a range of qualifications to be offered completely **free!** If you would like further information, please contact the office.
